

Emergency & Critical Incident Policy

(Latest DET Update: 19/04/17)

First Developed: May 2015

Reviewed/Updated: November 2015

February & August 2016

January & April 2017

1. Background and information

Rationale

- Schools are responsible for:
 - planning for and managing emergencies
 - responding swiftly to emergency incidents including medical emergencies
 - reporting emergencies and incidents
 - liaising with a range of support agencies including the Security Services Unit
 - testing emergency procedures
- Schools may implement additional security risk management measures.
- Schools may be required to provide WorkSafe notifications.

2. Carranballac College Emergency & Critical Incident Policy (August 2017)

Purpose

To ensure that, as part of the school's Emergency Management Planning, Carranballac P-9 College has a process for reporting critical incidents to Security Services Unit and/or WorkSafe that complies with legislation and DET policy.

Implementation

- The safety of children is the highest priority.
- The school's Emergency Management Plan (EMP) that has been completed on line contains a risk assessment addressing hazards and potential threats to the school and covers the four components of preparedness, prevention, response and recovery. It describes the actions to be taken before, during and after an emergency and covers all circumstances when the school is responsible for children's safety such as school excursions. It contains the school's emergency testing procedures which are rehearsed at least four times each year. The EMP is reviewed annually and/or following an emergency or crisis.
- Once the safety and security of children, staff, parents/carers and visitors to the school have been ensured, the school will report the incident to Security Services Unit on 9589-6266, 24 hours a day.
- The information to be conveyed to Security Services Unit includes:
 - Who – the name of the person reporting the emergency / critical incident
 - What – the nature of the emergency/critical incident
 - When – the time when the school became aware of the emergency/critical incident
 - Where – the location of the emergency / critical incident and contact phone numbers if it has occurred away from school
- It is essential that the emergency services are notified immediately. The appropriate services are:
 - ambulance for injury and medical assistance
 - fire brigade for fires (even when fires have been put out)
 - police for crime, injury which may not be accidental or assault
 - SES for floods and wind storms
- The school will notify WorkSafe via WorkSafe's Incident Notification Form within 48 hours of an incident involving the death of or immediate medical treatment for:
 - the separation of skin from underlying tissue
 - the amputation of any part of the body
 - a serious head injury or eye injury
 - the loss of a bodily function
 - serious lacerations
 - an electric shock
 - a spinal injury

- immediate medical treatment as an in-patient in a hospital. Note: When only a medical diagnosis is given but no treatment, then there is no requirement to notify WorkSafe.
- medical treatment within forty-eight hours of exposure to a substance
- collapse, overturning, failure of, or damage to, any item of plant equipment that is required to be licensed
- the collapse or failure of an excavation or of any shoring supporting an excavation
- partial collapse of any part of a building or structure
- an implosion, explosion or fire
- the escape, spillage or leakage of any substance, including dangerous goods as defined in the *Dangerous Goods Act 1985*
- the fall or release from a height of any plant equipment, substance or object.

The same obligations to notify of incidents and dangerous occurrences apply under the Equipment (Public Safety) (Incident Notification) Regulations 2007 such as amusement structures used by volunteers at a school fete or fair.

Ratification and Review

This policy will be reviewed as part of the school's review cycle or if guidelines change (latest DET update late April 2017).

This policy was ratified by School Council on 1st August 2017
