Director’s Report

Dear Parents and Carranballac Community Members

Term three has commenced with a great deal of excitement and a number of positive initiatives commencing/continuing across the College.

Electives for Year 9 are off to a fabulous start with high levels of student engagement. A huge thank you goes to all staff delivering and working ‘behind the scenes’ to create the elective programs.

HERO: Here Everyday Ready On time. Our College staff BASTOW team have worked collaboratively to drive this initiative and we are already seeing daily evidence of improved attendance and attitudes to attendance. Well done everyone. There may be a surprise visitor at both assemblies next week to highlight the importance of our HERO initiative.

BBC: Boardwalk Breakfast Club. Three senior students; Ben, Samson and Denis, have been planning for some time to introduce a College breakfast club program. We are pleased to inform everyone that it has become a reality. They have been working closely with Dr Bob Fairclough (Wyndham Councillor) and strongly supported by Mrs Costello and Mrs Doyle. Well done team.

CCN: Carranballac College News: It is pleasing to confirm that CCN has been transmitted across the College classrooms and is a student driven initiative. We look forward to future viewing sessions as they are produced.

SWIRL: Story Writing in Remote Locations. Carranballac College contributions are now published. Special thanks goes to our Year 7 Aqua (Miss Kompa), Year 8 Aqua (Mrs O’Reilly) and their students for their wonderful contributions. Thanks also goes to Mrs Costello for her coordination. If you want to see the publication please speak to Mrs Costello.

The Boardwalk oval is looking great. Work is soon to commence on the shed and fencing behind the Boardwalk gym. The next project will be the resurfacing/sowing of the Jamieson Way oval with repairs to the surface of the cricket pitch.

The Parents and Friends continue to embark on an ambitious agenda with the TRIVIA NIGHT not too far away. The promotion boards look incredibly inviting. Have you booked your table yet?

I would like to pass on my personal thanks to Ms Naughton (Acting College Director), Mrs Hall (Acting Jamieson Way Campus Principal) and Mrs Grieve (Acting Middle Years Assistant Principal at Jamieson Way) for their leadership during my absence whilst I was on leave.

We have our scheduled Student Learning Conferences taking place tomorrow night. I am looking forward to meeting some new families and I do hope that ALL families are putting aside the time to meet with their teachers.

Have a great fortnight and please keep a close watch on our Webpage with regular updates.

Brendan O’Brien
Boardwalk School Report

I am delighted to be your Acting Campus Principal for another term and look forward to continuing to meet our Boardwalk students and their families. There has been a fabulous beginning to Term 3 with several new and exciting initiatives.

The Year 9 elective program has begun this semester. Students selected one subject from the Design and Technology curriculum and one subject from The Arts. A huge thank you to Lesley Hall for her introduction and coordination of this initiative and our specialist teachers for delivering such quality and engaging programs to our senior students.

CCN: Carranballac College News. Selected Year 9 students are creating engaging short films for our students to watch during their eating time on Fridays. Each week there will be an Early Years puppet show and a Middle Years clip outlining important educational, social and recreational activities in our college.

Breakfast Club: This will operate from 8am-8.30am in the Food Tech room at Boardwalk each Tuesday and Friday morning. Congratulations to Ben C, Samson, Dennis, Lydia, Glen, Mrs Costello and Mrs Doyle for planning and coordinating this important initiative. Thanks also to Councillor Bob Fairclough from Wyndham Council for his support of this project and to Jasvinder Singh from the 'Let's Feed' organisation. A trial and review of this program will determine if this is introduced to Jamieson Way School.

H.E.R.O.: Our focus for Term 3 & 4 is on Attendance and Punctuality. There is information in our newsletter about the Here Everyday Ready On time initiative.

Our oval is beginning to look green and lush. We look forward to the time when our students can finally enjoy this beautiful new facility.

Momentum is building for our Year 5/6 entry into the national performing arts competition, Wakakirri. Many parents attended our working bee last Friday with another working bee on Friday 29 July to complete the job. Happy rehearsing students!

The Cairnmillar Institute continues to provide outstanding wellbeing support to our students and their families. These health professionals are ably coordinated by Chris Billing and supplement our college based personnel.

I have noted a considerable improvement in the appearance of our students, made possible by the correct use of our college uniform. My thanks to students and their families who continue to respect our college community in this way.

Acting Principal

Jamieson Way School Report

Welcome to our new families. Such a cold start to Term 3! But not even the cold snap dampened the enthusiasm of our students returning to school after the break. The smiles were huge and the classes settled very quickly, picking up the learning momentum from the end of Term 2.

Cultural Diversity Week at the end of the term was spectacular with such a range of amazing cultural experiences for our students. Thank you to all our families who dressed in national costumes for our cultural diversity parade. Our students are so fortunate to be growing up with so many different cultures around them.

Term 3 promises to be a very busy term. Our teachers have planned exciting and engaging curriculum for this term and we hold high expectations that students will be doing their best every day. A reminder to all families that the school day begins at 8:45. Students need to be in classes, ready to learn at 8:45am. Late arrivals interrupt learning.

Safety around the school is a community responsibility. Traffic movement in our community car park needs to consider the safety of our students and their families moving through that car park, entering our grounds via the oval gate. Slow, cautious travel, especially in wet conditions, is essential for the safety of all.

We look forward to continuing our conversations with parents this Thursday during our Student Learning Conferences. Goals set out in the Individual Learning Plans for this term will focus on your child's progress as a learner.

Congratulations to our year 9 student, Janae Mackrell who last week finished 9th in the state in the Victorian Under 14 Cross Country Championships at Bundoora Park. What an amazing effort Janae!

Our Foundation tours for students starting school in 2017 are well underway. Please encourage your friends to enrol now to help us with our planning.

The Premier's Reading Challenge continues, so daily reading is a must!

Enjoy your child, and celebrate their achievements.

Principal
The newsletter is a major communication tool for parents to keep up to date with important information, events, happenings and student celebrations.

Did you know that you can subscribe to our College Newsletter?

Go to the College Website www.carranballac.vic.edu.au, under the Calendar on the right hand side, click “Subscribe”, complete your details and click “Save”. You will receive an email notification each fortnight with a link to the newsletter page of our website.

Our aim is for all parents to receive the newsletter electronically. This will cut down on hardcopy productions costs so funds can be re-distributed directly to student resources.

Parents if you subscribe to the Newsletter by the end of Term 3, you will go into a draw to win an ASUS Windows 10 Notebook.

We encourage you to subscribe!!

Kids Teaching Kids is a program whereby all students at the College celebrate Science Week each year. Each class invites another class to attend a workshop, performance or activity which is based around environmental science.

We celebrate Science Week in Kids Teaching Kids Week from Monday 5 September to Friday 9 September.

The College also hosts the KTK Western Region Conference on site during that week whereby other schools join us and take part in workshops. In 2016, Year 7 will assist with organisation at Boardwalk School on Wednesday 7 September and Year 5/6 classes conduct the second day of that conference at Jamieson Way School, on Thursday 8 September. Finally a selected group of students will represent us at the Melbourne Water KTK Conference on Monday 24 and Tuesday 25 October at Melbourne University.

Sponsor for KTK week 2016 is the Department of Environment, Land, Water & Planning.

- Plastic  
- String  
- Paddle pop sticks  
- Foam/sponge  
- Buttons  
- Straws  
- Sticks  
- Milk/bottle tops  
- Old clocks/cameras/old phone/old computer  
- PVC pipe  
- Dowel  
- Corks  
- Non electrical handheld tools eg. Screw driver, allen keys, wrench, spanner, pliers

If you have any of these items that you are able to donate, please drop them off to a Foundation/One teacher.

Thank-you for your support

Foundation/One Team.
CAMP UPDATE

YEAR 3/4 BOARDWALK & JAMIESON WAY ANGLESEA CAMPS

The due date for payments/permission notes for the Yr 3/4 camp is rapidly approaching! It is 9:00am Monday 25 July (next week). There are no limits on the number of students who can attend so make sure you get your paperwork in. Late paperwork will probably mean your child is not able to attend. Don’t forget that we have a payment plan available for camps.

YEAR 5/6 JAMIESON WAY GOLDFIELDS CAMPS 1 & 2

Due to the strict limitation on numbers attending these camps there are a few people who are on a waiting list for each camp. If your child is currently listed as attending the Goldfields camp but the situation changes and they are no longer able to attend, please let us know as soon as possible so that we can let the next person on the waiting list know they now have a place.

If you would like to add you child to the waiting lists please contact the office at Jamieson Way.

SWIRL

In February 2016, 13 pre-service teachers and three academics from Victoria University participated in a SWIRL (Story Writing in Remote Locations) study tour to Visakhapatnam, India. During this time the pre-service teachers worked with school students at Catherine Public School on a range of literacy based curriculum activities. Pre-service teachers collected artworks that were created by the students there.

Students from Carranballac P-9 College used these artworks to write accompanying short stories. Victoria University and the College would like to thank Ms Heather Kompa (Yr7), Mrs Maria O’Reilly (Yr8) and their wonderful classes for participating in this project. Several of the wonderful contributions have been published in a book called ‘Words and Pictures – SWIRL INDIA’.

Congratulations to ALL the students who participated and special congratulations to those students whose work was chosen.

This special publication showcases how children from different parts of the world can come together to create beautiful images and words.

There will be a special launch of the book at the Granary Café, 2 Devonshire Rd Sunshine on Wednesday 20 July at 4-6pm. After the launch there will be an exhibition of the art work and stories from Sunday 17 July until Sunday 31 July 2016.

Student Learning Conferences

Thursday 21 July 2016
You will be given the opportunity to attend a Student Learning Conference on Thursday 21 July 2016.

Conferences will be ten minutes duration and will be conducted in classrooms from 3.30 pm to 7.00 pm.

To enhance our Middle Years students’ responsibility as learners, all Middle Years students (Years 5 to 9) will be expected to participate in the discussion with their teacher and parents.

Using Parent Teacher Online you will be able to book the interview times that suit you best from any internet-connected computer. If you do not have internet access please contact the college on 9395 3533 and we will arrange an interview for you.

We urge all parents to attend these important conferences.
Please access the system as follows:
Go to the school’s home page www.carranballac.vic.edu.au/
Click the PTO icon as shown here ...
Enter your surname and PIN, provided in the letter sent to you with your child’s report, or contact the school office for assistance.

Year 5/6 News

Year 5/6 students at Jamieson Way enjoyed dressing in costumes from the 1850s during introduction to this term's integrated topic 'Eureka!'
The internet has become an integral part of life and an essential tool for teenagers. It is important for them to know how to use the internet safely, and for parents to feel equipped to provide a positive online experience for their teens.

This FREE information session will provide an interactive experience covering the following topics:

- Is social media a friend or foe?
- How to support your teen in the cyber world, what you need to know and what you can do.
- Cyber bulling - how to spot it and stop it
- Other online issues - knowledge about chat sites, webcams and photo sharing

FUNDRAISER

Support our school when you order your copy here!!

$19.95 RRP

This book provides strategies for children to recognise their worries and to start to learn how to deal with them. The main message is to encourage children to share their worries with people they trust.

Please visit www.tanyabalcke.com

For every copy of 'I have a Worry' sold through this fundraiser, our school will receive $5.00!!!

For more testimonials, please visit Facebook/I have a Worry

Laura - "Amazing book!!! We received our copy this week & even just after the 1st reading my son felt calmer & in a better frame of mind to be able to handle his anxiety at school...he is reading the book daily to me now. Such a simple, kid friendly way of explaining such a common issue amongst kiddies...thank you Tanya. XX"

Golette - "My mother in law purchased this book and it's been wonderful. It helped my 6yr old talk to us about her anxiety of school. She went from pulling at me and screaming every day to simply dropping her off by the gate. I recommend this to everyone. A valuable resource."

Monique - "Just got our copy today - amazing - I have a 9yr old with anxiety - she was happy that someone 'got it' - love it. Will be ordering another copy for her school too! Thanks Tanya."

Hayley - "Just ordered another copy for my stepdaughter to have at her other home. Her sleeping has improved and her communication too! We need a copy on hand in both homes!!"

WAKAKIRRI

Thank you to the wonderful parents who attended our working bee last Friday. If you are able to attend our next working bee, this will be held in the Textiles room, Boardwalk School from 11.30am on Friday 29 July. I hope you will be able to join us.

Josh and Lucy are having a trial run of theatre make-up for Wakakirri. Our pre-service teacher Bec is coordinating the makeup for all performers as part of her university Applied Curriculum Project.

Well done Bec

Help Wanted

Our entry concludes with a flag raising ceremony at the Rio Olympics. I’d like the support of someone to design/construct a suitable stage prop that sits beside or behind the three athletes who are standing on the podium receiving their medals. It needs to be light enough for students to manage and collapsible for transportation and back stage size requirements.

Any ideas? Please phone me on 0438 548603
