In our unique, innovative and growing community we develop a passion for life long learning so that students achieve individual excellence and are confident, capable, respected citizens of our local and global communities.

Student Absence: Please SMS student absences by 9.00 am to 0429 305 552
Dear Parents and Carranballac Community Members

Over the last twelve months we have interrogated our student performance data, consulted with parents and staff; on a wide range of College matters, whilst we worked closely with an external consultant, in order to address recommendations that came out of the College Peer Review (2014).

Subsequently the College Strategic Plan was developed which required us to examine critically: the performance of our students in the Early Years, student absence concerns, the effect of student transience, the need to improve College communication with the community, the level of student engagement in their learning and finally to develop strategies to lift the level of student voice in all that we do.

I am positive that many of our community have seen first hand the many outcomes that we have already achieved which address each of these key areas. To name a few (in no particular order), we now have a direct staff link to Parents and Friends, we work closely with the parent Facebook team, we have just engaged the services of a ‘Communications and Media’ officer in Elly Conduit, we conduct regular parent and staff FORUMS, we have sourced new software (COMPASS) that will provide families with a totally integrated access to their student’s College. During this period the College Webpage was totally revamped, which can now be used to directly communicate with parents. An upgrade of the College Information & Communication Technology (ICT) Infrastructure is in progress. This will give students faster access to the vast resources available online. Students now have the development of a Student Representative Council to look forward to (about to be formed - SRC for Middle Years), students have commenced a (BBC) Boardwalk Breakfast Club, the Barista program has been resourced (JW), Year 9 electives have commenced successfully, Carranballac College News (CNN) is student led and across the College, students were actively engaged in the rebuild of our student leadership programs for 2016 – camps / adventure activities / Compass / Duke of Ed, the HERO program has ‘taken off’ and has a focus on student attendance with a range of positive attributes that impact healthily on the College culture, our staff are working in a focussed way on – student assessment / moderation of assessment / Inquiry learning / implementation of the Victorian Curriculum all within a framework entitled HIGH RELIABILITY SCHOOLS in order to improve student performance and safety. The list goes on.

A further significant change to address the Peer Review recommendations, that will be implemented for 2017 and beyond, will be the gradual introduction of STRAIGHT GRADES/CLASSES to our College model. In 2017 we will commence with straight FOUNDATION, straight GRADE ONE and straight Grade two CLASSES.

The decision on this has been based on a body of evidence (both Carranballac and State wide) combined with planning opportunities. All Staff have collaboratively agreed that we need to change our structure as a strategy to create opportunities for improved student performance. I have endorsed the change as a necessary learning environment improvement. The timing is right in that our student numbers are settling, transience is slowing, the implementation of the new Victorian Curriculum requires us to redesign year level expectations progressively, and our data indicates that we have the student potential presently to achieve more.

The clear intention is to continue the straight grade development in 2018 with grades 3, 4, 5 and 6. Much will depend on our ability to plan the curriculum design to meet this implementation strategy in line with the Victorian Curriculum and the High Reliability Schools Framework that we are working within. Our student numbers and budget may also dictate that we need to consider a small number of composite classes (something we will endeavour to avoid).

I would like to conclude that we are well placed for this change. The change will be transitioned to compliment the wonderful array of curriculum opportunities that Carranballac already offers your children.

We will have a parent forum before the end of term and I would be happy to go into more detail then should you have any questions.

Boardwalk School Report

HERO-Here Everyone Ready On time.

It has been exciting to see the joy on the faces of the students at assembly who have been acknowledged for their perfect attendance and punctuality.

I extend a huge thank you to Sam Burke and Dee O’Brien who made dozens of hero capes for our students to wear proudly all week. Thank you also to Ms Peric and her Year 9 elective group who are currently painting the early years toilets with HERO characters to promote our HERO initiative.

More importantly, our HERO message continues to gain momentum. Our message is that school and learning begin promptly each day at 8.45am and full attendance will maximise your child’s learning opportunities. Remember: “It’s not OK to be away!”

Our Year 5/6 swimming program at the Wyndham Leisure Centre is progressing well and concludes today.

These students are also busily finalising their performance for Wakakirri. As you will know, our College has a very proud and successful involvement in this national performing arts competition and I wish them well for their performance at the Clocktower Theatre on Monday 22 August.

Our Year 3/4 camp students are getting excited about camp at Anglesea. This is being held on Wednesday 17-Friday 19 August.

Congratulations to our Year 9 students who continue to deliver an excellent breakfast program on Tuesday and Friday mornings. This free service is available to our Year 7, 8 & 9 students and their siblings. Why not drop in from 8am to say hello?

Thank you to Barry Barnes, Jenny Costello and Lauris Doyle who supervise this program.

Our Student Learning Conferences were well attended last week. If you were unable to make an appointment, please ensure you contact your child’s teacher this week to get an update of their learning goals for this term.

If you are at the Point Cook Town Centre, be sure to drop in to the Festival Of Visual Arts.

Our student art work is displayed in the Target precinct, along with art work of eleven other local schools.

FOVA runs in conjunction with FOPA (Festival Of Performing Arts) which will be held in the Jamieson Way School gym Tuesday 9-Thursday 11 August.

Jamieson Way School Report

Congratulations to our award winners in Mathletics and Spelladrome! It was a very long list of achievers read out at assembly last week by Ms Hudson. Great work - keep it up!

How fabulous our heroes look in their capes!! Here Every Day Ready On time are now very well known words for our students and their families. Our student leaders did a great job at assembly on Monday leading the school community through acknowledgement of last week’s heroes. Remember school starts at 8:45am!

If you get a chance please have a look at the incredible art work on display in the Point Cook Town Centre. This Festival of Visual Arts has been organised by our Ms Edmonds to celebrate the talents within Schools in the Point Cook area. We are so very proud of the high quality of our student work, so take some time to view the displays.

Our amazing Festival of Performing Arts is to be hosted next week in the Jamieson Way gym. Schools from across Wyndham and Hobsons Bay will be showcasing performances. Our community are most welcome to join the audience and enjoy our young talent.

We have some very excited Year 3/4 students who are preparing for their camp to Anglesea in a few weeks. What an amazing opportunity for personal growth and learning beyond the classroom! Our Year 5/6 camps will be happening straight after the Year 3/4 camp, so the excitement continues to build!

Support our amazing Parents and Friends' Trivia night on Saturday 27 August - organise a table or join a table - buy your tickets! Another way to support is to drop off some donations to be used in prizes on the night. There is a huge pink tub in our office area - drop your donations there and be supportive of this great night of fun!

Our wonderful Jamieson Way librarian Jan Colquhoun is undertaking some extensive reorganisation in the library. Jan is asking for parents to help with this task. A Working With Children's Check is the only prerequisite so please let Jan or Rose Pell know if you have some time.

The Premier's Reading Challenge continues. Keep supporting your child to read, read, read!!

‘Parents and Carers, it is so important that your child is a ‘H.E.R.O’ every week.’

What an ‘Heroic success!’

Over the past week you may have noticed a great ‘BUZZ’ at Carranballac College. A team consisting of Mrs Myors, Ms Way, Ms Kompa, Mr Vasilevski and Mrs Gault have initiated a theme of encouraging all students to become a ‘H.E.R.O’.

This means that we are encouraging all students to be:

‘Here. Everyday. Ready and On-time’.

We are encouraging all parents to support our initiative and to be aware that your child needs to be at school everyday and on time. Please also be mindful of making any appointments for your child after school where possible.

Our colourful capes, all 90 of them, have been expertly made by Samantha and Dee. One lucky student from each Early Years class is awarded the ‘superhero cape’ for the week after having their name picked out of their super hero box by their teacher.

HERO awards are presented at assembly to an Early Years and a Middle Years student enabling them to visit the canteen to receive something special.

How fabulous it was also to see many ‘colourful capes’ worn by our happy award winners to assembly. The Student Leaders and Guardians were so proud presenting at both Boardwalk and Jamieson Way assemblies in their H.E.R.O t-shirts and to have a special visit from our ‘Super Hero and his assistants’ really put the icing on the cake!

It has been exciting to see the response of many excited children running and making their way to class, in readiness to begin their day, making sure that they too are ‘Here, Everyday, Ready and On-time’!

Thank you again for your feedback and support and if you do spot a ‘HERO’ flying around at Carranballac College, please acknowledge them!

The newsletter is a major communication tool for parents to keep up to date with important information, events, happenings and student celebrations.

Did you know that you can subscribe to our College Newsletter?

Go to the College Website www.carranballac.vic.edu.au, under the Calendar on the right hand side, click “Subscribe”, complete your details and click “Save”. You will receive an email notification each fortnight with a link to the newsletter page of our website.

Our aim is for all parents to receive the newsletter electronically. This will cut down on hardcopy productions costs so funds can be re-distributed directly to student resources.

Parents if you subscribe to the Newsletter by the end of Term 3, you will go into a draw to win an ASUS Windows 10 Notebook.

We encourage you to subscribe!!
Congratulations to all of our award winners this fortnight!
Kids Teaching Kids is a program whereby all students at the College celebrate Science Week each year. Each class invites another class to attend a workshop, performance or activity which is based around environmental science.

We celebrate Science Week in Kids Teaching Kids Week from Monday 5 September to Friday 9 September.

The College also hosts the KTK Western Region Conference on site during that week whereby other schools join us and take part in workshops. In 2016, Year 7 will assist with organisation at Boardwalk School on Wednesday 7 September and Year 5/6 classes conduct the second day of that conference at Jamieson Way School, on Thursday 8 September. Finally a selected group of students will represent us at the Melbourne Water KTK Conference on Monday 24 and Tuesday 25 October at Melbourne University.

Sponsor for KTK week 2016 is the Department of Environment, Land, Water & Planning.
/1 100 Days of School

On Friday the 22 July, the Foundation and Year One students celebrated the 100th day of school. We made capes with 100 things on them and got to do lots of fun activities to do with the number 100. We had a parade for our parents and we also got to dance to superhero music after our parade. We made crowns and looked for numbers all the way up to 100! We had a fun day!

Carranballac P-9 College encourages students to participate in leadership opportunities. This year, a group of Year 9 students decided to present the idea of starting a Breakfast Club to the Director of the College, Mr Brendan O’Brien.

The students believed this club would encourage senior students to attend school on time as well as fulfil the needs of students who may not have had the chance to have breakfast. So with Mr O’Brien’s support, a committee was formed and a plan was put in place.

The three senior students involved, Deniz Turkyilmaz, Ben Clark and Samson Farley (Group Leaders); teachers-Jenny Costello, Lauris Doyle and Barry Barnes, Bob Fairclough (Wyndham councillor), Monica Raizada and Mr Jasvinder Singh (Let’s Feed Organisation) now meet regularly to discuss, plan and implement this new program.

Many studies have shown that eating breakfast can improve memory and concentration levels and it can also make us happier as well as improve one’s mood and lower stress levels. Breakfast is an important meal of the day as it gives our students the best opportunity to start their day and be ready to learn. The Breakfast Club also presents us with opportunities to develop other skills. For example, all the leaders of the program completed a Food Handling Certificate delivered by our Food Technology teacher, Mr Barnes. Our Group Leaders are also learning about keeping records, writing shopping lists based on weekly evaluations of produce used and calculating what needs to be ordered for future use. The club is also a **social event** as it brings students of all ages together to talk and share in a **fun experience**.

This week we were very fortunate to receive a phone call from **The Good Guys** with the exciting news that they were donating a **Freezer** to support our program. Without the help and support of our local community, programs like this would be difficult to start and to sustain. We gratefully acknowledge the contributions of **toasters** from **Mrs Lauris Doyle** and **Mr Bob Fairclough** and now the very important contribution of a **freezer** from **The Good Guys, Hoppers Crossing** to store our bread and other products.

**The Boardwalk Breakfast Club runs on a Tuesday and Friday morning from 8am until 8.30 am. It is a free service and all students are welcome. If you are at school early and would like to drop in for some toast, cereal or milo, please come in and say hello. We’d love to see you there!**

**PROJECT:**
Fit for the Future

- Build a fitter and healthier school community
- Sustainable fitness solution
- Foster quality and innovative physical activity programs in school
- Facilitate a school environment that is conducive to active learning
- Cleaner and healthier environment for the future

The purposes of this project is to provide a dedicated fitness circuit around the school oval at our Jamieson Way Campus. Carranballac College has a whole school commitment to physical activity across both campuses with a focus on physical education and sport. In an age where children are spending more time sitting down, a selection of fitness stations where children need to use strength to climb, push and pull their own body weight is a useful adjunct to playground equipment that is both safe and effective.

FUNDRAISER

Support our school when you order your copy here!!

$19.95 RRP

This book provides strategies for children to recognise their worries and how to start to learn how to deal with them. The main message is to encourage children to share their worries with people they trust.

Please visit www.tanyabalcke.com

For every copy of 'I have a Worry' sold through this fundraiser, our school will receive $5.00!!

For more testimonials, please visit Facebook/I have a Worry

Laura - "Amazing book!!! We received our copy this week & even just after the 1st reading my son felt calmer & in a better frame of mind to be able to handle his anxiety at school...he is reading the book daily to me now. Such a simple, kid friendly way of explaining such a common issue amongst kiddies....thank you Tanya. XX"

Cocolette - "My mother in law purchased this book and it's been wonderful. It helped my 6yr old talk to us about her anxiety at school. She went from pulling at me and screaming every day to simply dropping her off by the gate. I recommend this to everyone. A valuable resource."

Monique - "Just got our copy today – amazing – I have a 9yr old with anxiety – she was happy that someone 'got it' – love it. Will be ordering another copy for her school too! Thanks Tanya."

Hayley - "Just ordered another copy for my stepdaughter to have at her other home. Her sleeping has improved and her communication tool! We need a copy on hand in both homes!"

When does normal teenage behaviour become something you really need to worry about? In this seminar **When to Really Worry** by Dr Michael Carr-Gregg, he will help you find out. In this insightful evening, one of Australia’s leading authorities on child and adolescent mental health, Dr Michael Carr-Gregg, offers practical, easy to understand information on how to figure out if your son or daughter is travelling okay. He discusses the signs and symptoms of the high prevalence disorders of anxiety and depression. Michael also includes tips on detecting early warning signs encouraging your child to visit a doctor, finding a youth-friendly GP, counsellor or therapist, navigating the public mental health system. **When to Really Worry** is an essential night for all parents, teachers, coaches who want to build happy and resilient young people.

**Not to be missed!**

Dr Michael Carr-Gregg works as a nationally registered child and adolescent psychologist. He is passionate about delivering evidence based psychology workshops and seminars that make a difference to the health and wellbeing of young people. His training and approach incorporates cognitive behavioural therapy (CBT), Acceptance and Commitment Therapy (ACT), mindfulness skills and interventions drawn from positive psychology research. He is a founding member of the National Centre Against Bullying and Chairs their Cybersafety Committee. In October 2010 - he was appointed the official advisor to the Queensland government on cybersafety. He is a Director of the The Young and Well Cooperative Research Centre, an Australian Government Initiative administered by the Department of Innovation, Industry, Science and Research. Michael Carr-Gregg has extensive experience in the media and is currently a regular on the top rating ‘Sunrise’ program on Channel 7 and on Melbourne radio 3AW and is a frequent contributor to the Australian Print media.
**WAKAKIRRI**

Plans are well underway for our entry into this year’s national performing arts competition, Wakakirri. This year is the turn of the Boardwalk Year 5/6 students and they have been working hard with our choreographer Carly to prepare a fantastic item titled “An Olympic Effort”. Our performance is at the Clocktower Theatre on Monday 22 August.

We will have our final working bee this Friday. If you are available for any cutting, gluing, sewing, painting jobs, we would love your help in the textiles room at Boardwalk anytime from 11-3pm. Thank you to our hard working volunteers.

**FOPA**

Our college will again host the 28th annual Festival Of Performing Arts. All schools in Wyndham and Hobsons Bay are invited to a series of concerts held in the gym at Jamieson Way.

If you would like to come along, entrance is free. The table below outlines the schools and times of performances.
