School Forum
It was great to see a good turnout for our first school forum this year. We had at least 30 parents, in addition to School Councillors and the School Leadership Team, headed by Brendan O’Brien. 

The purpose was to provide an open environment where any questions could be raised and addressed by the school. We seek to engage with the school community and this forum provided an opportunity to do so.

Questions that were raised included:
  1. Class Sizes
  2. Oval
  3. Naplan
  4. Macbooks
  5. Parents/camps/excursions
  6. Parent helper program
  7. Composite classes
  8. Sports uniform
  9. School strategic priorities for the next 3 years
 10. Ability to email teachers directly
 11. Kids teaching kids/kids teaching parents/open session
 12. More performing arts
 13. Specialist reporting & report content
 14. Transitioning to different grades.

Brendan O’Brien and the leadership team answered all questions and I thought the evening to be beneficial and informative. Thank you to all that came to share your insights and opinions – they are all very valuable.

School Council President

NAPLAN

NAPLAN testing will begin on Tuesday 12th May 2015. Carranballac F-9 College encourages all students to participate in NAPLAN however, we recognise that many students do become quite stressed at this time. If you have concerns about your child’s participation in the testing program please contact the School Principal.
Dear Parents and students,

Welcome again to our newsletter for this week.

Are you going to join us this Friday at 6.00pm in the Performing Arts Centre to listen to our wonderful Senior Rock Band? *Minor Sensation* will be entertaining us and are a perfect example of the exemplary extra curricula programs we have at Carranballac. I am looking forward to meeting more families at yet another College function.

Last night we held our first *Parent Forum* for this year in the PAC at Boardwalk. I hope that everyone present walked away with answers to their questions and gained insight into the challenges as well as opportunities that Carranballac both faces and provides. I also hope that parents’ perception of the College will grow as we build stronger communication links with the community. I am happy to address any issues that are facing the College and will certainly make sure that all aspects of any matters will be fully investigated in order to arrive at a fair and reasonable outcome for families and the College. We are in this together and as a Carranballac College Community we can strengthen what is already an excellent school with outstanding programs. I am personally highly motivated and excited about the collective work we all do and look forward to building our reputation in the community.

I would like to pass on our thanks to the hard working ‘parent and friends’ for their outstanding Mother’s Day preparations. The dedication shown by the P and F team in support of the College is to be admired and also aspired to. Well done.

As mentioned above we are faced with challenges from time to time. Presently the use of phones at school are a matter of concern. I am asking parents to please reinforce with their children the school rule: “Phones are to be handed in to class teachers on arrival at school”. Please refer to the Mobile Phone Policy on page 6 of the Newsletter. Phones are a constant source of distraction to learning and every minute at school counts. The same applies to student lateness. Lateness disrupts learning for everyone. Parents can work with their children to make sure they attend on time. In the final analysis the good habits you establish now will stand your children in good stead later in life. If you need assistance in working through management matters with your children then please ask.

State Budget: I have just read a budget letter from Minister Merlino and am pleased to report that schools will receive much needed additional funds over the next few years to support student learning. This comes at a critical time for Carranballac as one of the highest priorities heading into 2016 is to reduce class sizes across the College.

A quote from the Director:

“The purpose of education ... is to create in a person the ability to look at the world for themselves, to make their own decisions”  
James Baldwin.

This is certainly worth contemplating. Does your language, which is subsequently supported by your actions help grow the capacity of your children; our students, their independence in decision making???

Have a great week

Boardwalk School Report— Principal Kay Kearney

Thank you to the School Councillors and parents who braved the cold weather to attend the Parent Forum last night. This was an important opportunity to exchange information and ideas about our College.

As Mothers’ Day is just around the corner it was great to see so many presents purchased from the Parents and Friends stall today. Thank you to the hard working parents who made this possible and to our Guardians who managed the eager buyers very well. There will be an opportunity before recess tomorrow to buy any necessary last minute gifts.

As the weather appears to be consistently colder it is important that all students wear their winter uniform, which includes a tie in Middle Years. If you need support in this area please contact the office and we will do our best to help.

The challenge of keeping the winter chills and ills is fast approaching!

Regards

Kaye

Jamieson Way School Report— Principal Sandy Naughton

Well done to all our Year 5/6 students who toured Canberra last week. We have had such positive feedback from so many different people about the way these students represented themselves, their families and the college. Our teachers were so proud of them, and our school is so proud of them. Mighty effort by all! Thank you to our staff who gave up their family time to ensure our students gained life long memories. Our students have not stopped talking about their time in our Nation’s capital, and our teachers have not stopped talking about how sensational our children were during this time. Our next exciting camp learning adventure is our Year 3/4 camp at the end of May. We have high expectations for these students as well!

Please take the time to visit our foyer and see the amazing display we have following ANZAC Day. We have class work from Early Years and Middle Years students as well as photos from our ANZAC Day ceremony. There is also an incredible display of art work created by our Year 5/6 students based on the Hall of Memory Stained Glass Windows at the War Memorial. Staff at the Australian War Memorial were so impressed with the knowledge our students had of these windows, when they were told we had some on display, they asked our teachers to send photos of our students’ work to them. Amazing!

Individual Learning Plans have been sent home. Have a conversation with your child about the learning goals that have been set. Determination is our Word of the Week this week. How are they showing determination towards achieving their goals?

We wish all our mums, grandmothers and significant women in our students’ families, a very happy Mother’s Day for this weekend.

Have a special day!

Canteen News
We will be running a Hotdog Day on Friday 15th May. Notes should have gone home with all students. Hotdogs are $3.00 each and sauce is 0.30 cents. Oak drinks will be available for $2.00 on the day. All orders must be placed by Monday 11th May. Do not forget to write your child's name and class on the note.
Mobile Phone Policy

Rationale:
- Mobile phones may be a security measure put in place by families for students travelling to and from school.

Aims:
- To support families who opt for this medium as a safety measure for their children travelling to and from school within a context of respect for student safety and privacy.
- To support student understanding that mobile phones should always be used with respect to people’s rights and privacy.

Implementation:
- Students bringing mobile phones to school are to hand these to the teacher at the beginning of each day. Students are required to collect phones from teachers at the end of each day.
- The college does not accept responsibility for lost or damaged mobile phones. However, teachers will place mobile phones in a secure location.
- Mobile phones are not to be used or sited within the college grounds.
- Mobile phones are not permitted on camps or excursions.
- Students misusing mobile phones at school or causing a nuisance will be accountable.
- The principal may revoke a student’s privilege of bringing a mobile phone to school.

Evaluation:
- This policy will be reviewed as part of the college’s three year review cycle.

MINOR SENSATION
Our senior rock band Minor Sensation entertained the Jamieson Way School last Friday. This was a great gig and the audience danced, clapped and sang along.

SONGMAKERS
Our Year 11, Cert III Music students undertook the Songmakers program last week. They worked with Rai Thistlethwayte (Thirsty Merc) and music producer Grant Windsor to write, edit and produce original music compositions. This was an amazing learning opportunity for our students. My thanks to our teacher Barry Davies who coordinated this event.

WAKAKIRRI
Rehearsals resume this week after one week off due to the Year 5/6 Canberra camp. Parents should have received a letter of explanation about Wakakirri, including a brief synopsis of our entry this year. Please be sure to return permission notes so that your child can be photographed and videoed during this exciting event.

MINOR SENSATION
Our fabulous rock band will hold a public performance on Friday night. This will be held in the PAC from 6-7pm. Everyone is most welcome.

SOUNDHOUSE SINGERS
Boardwalk School Foundation, Year 1 and Year 2 Soundhouse Singers will perform at the Point Cook Community Learning Centre Kindergarten next Tuesday 12th May. Families are welcome to walk to the kindergarten with us. We will depart from the Soundhouse Room at 9am and return by 10am.
