Director’s Report

Dear Parents and Carranballac Community Members

Anyanasao!

I have been in South Korea for the last two weeks on a study tour and investigation of Korean home staying. I have also been looking into the establishment of a ‘Sister School’ relationship with a Korean Middle Years school. Carranballac College is keen to explore further possibilities to support the development of global citizenship within our students.

We currently have regular video conferencing with Yeosu Ungchun Middle school. The school is located in Yoseou city near Busan, in the South West of South Korea. Congratulations goes to Mrs Hall, Ms Jeffrey and her Year 8 class for their participation in this exciting global project. Next week we will have the privilege of video conferencing students from both schools as well as the Minister for Education in South Korea. This is truly an honour for all involved. I received favourable reports in Ungchun regarding our participation. I spent a very productive day meeting with the Principal, staff and students (see photo below.)

We also have had students from Korea home stay with us in February 2016 and we are looking forward to community support for this again in February 2017. Families are invited to be host to a visiting Korean student. This opportunity expands numerous educational, cultural and social horizons. Please register with Mrs Hall so that you can obtain all of the necessary details around scheduling, activities and funding to help cover accommodation costs.

I have been thoroughly impressed with the educational system in Korea, the delightful nature of everyone and amazed by the rapid economic growth achieved by the country. Student academic performance in Korea is the second highest in all OECD countries globally. If we are to achieve our College's purpose of ‘developing global citizens’ then we need both your support and participation in ensuring the student exchanges go ahead smoothly. It is our intention to offer Year 8 students, in 2017, the opportunity to visit Korea in order to grow their global citizenship capabilities.

Brendan O’Brien
Boardwalk School has achieved some outstanding sporting results this week. Perhaps they have been inspired by the Bulldogs and the outstanding commitment, skill and teamwork they demonstrated to achieve some success.

We congratulate our Year 5/6 Volleyball team under the direction of Ms Robinson and Mr Coughlin (parent helper). They have trained regularly and shown great determination.

Our Year 3/4 students begin swimming this week with our F/1 students attending lessons soon. I thank our families for their commitment to this essential life skill.

Glenn Swanson from Year 9 achieved a gold medal in the Western Zone Athletics tournament and will head to the state finals later in the Term to compete in discus. Congratulations Glenn.

Our HERO program continues to promote daily school attendance and punctuality; such essential components to maximising student learning. Please remember to contact our school office on 9395 3533 for any absences.

Our band of dedicated Year 9 students and teachers continue to deliver Breakfast Club each Tuesday and Friday morning from 8am-8.30am.

There has been a siting of a snake on the Dunnings Road oval, in the long grass edging. Please be alert, not alarmed.

We continue to carefully monitor our students playing on this oval at lunch times and encourage our students to congregate in the central areas and away from the edges.

A reminder that there is a slight change in college uniform for Term 4. Hats must be worn outside at recess and lunch times. Full college uniform expectations are written in the Middle Years Learning Journals or you can find help on the College home page.

I recommend students have a clear water bottle on their table during lesson time also. This prevents the need for student to exit the classroom for a drink and losing valuable learning time.

I hope to see you all at the Rocktober event on Saturday night. Our fabulous Parents and Friends are coordinating this event and it is guaranteed to be a great night, as it was last year.

Enjoy your children this week.

Ros Myers
Acting Principal

Term 4 begins in a world of red, white and blue! Well done to the magnificent Western Bulldogs, AFL Premiers for 2016! A team of champions!

Our own champions, our wonderful students, have settled very well back into their routines. Thank you to our teams of teachers who have worked hard to collaboratively plan engaging learning experiences and have made expectations clear for student progress as we build on understandings and move our learners forward.

We are incredibly proud of our F/1 students who went to The Lego Education Centre on an excursion. Our teachers report that they represented our school very well. Such an exciting learning experience also builds responsibility, independence and resilience. Well done!

Celebrating Literacy and Numeracy Week is huge at Carranballac College. Dedicated literacy and numeracy learning experiences will be happening across the week, including decorating classroom doors and our amazing dress up parade on Friday at 9am in our gym. Our community are most welcome to join us for this fun event!

Our Book Fair is another component of our annual Literacy and Numeracy Week that our families look forward to, with extended hours until 6pm on Thursday to coincide with our Student Learning Conferences.

The learning momentum in Term 4 is significant for student progress. Learning goals have been negotiated for this final Term, ready to be shared with parents this Thursday during our Student Learning Conferences.

October is Walk to School month - many of our families will use this opportunity to 'walk and talk' together.

Daily reading is another family activity that creates life long memories.

Enjoy your children this week.

Thank you for your support!
Walk to School this October and connect with local families

Carranballac College is excited to be taking part in VicHealth’s Walk to School from Monday 3 to Friday 28 October.

Walk to School encourages primary school students to walk to and from school every day in October to highlight the ways walking improves children’s health and wellbeing. Walking to school is a great way to help kids achieve the recommended 60 minutes of physical activity each day.

We’ll be encouraging families and students to walk to and from school as often as possible during October to help students learn healthy habits for life. Teachers will use classroom calendars to record each time students walk, ride or scoot to and from school. VicHealth offers some great prizes to schools with high participation, and runs fun walking themed competitions for students throughout October.

We’ll be providing parents with an information sheet for parents and carers with all the information you’ll need about Walk to School. You can also visit the Walk to School website for more information: www.walktoschool.vic.gov.au

Not sure how to get started?

There are lots of ways families can get involved. You might like to:

- Walk with your child to and from school and enjoy the chance to chat
- Connect with other families and friends on your way to school and share the journey
- Part way is ok – if you live a long distance from school or have limited time, drive part of the way to school and walk the rest,
- Mix it up – if your child enjoys riding their bike or scooter, that’s great too!

To coincide with our ‘H.E.R.O’ initiative, a creative group of Year 9 students from JW and BW, enthusiastically led by Miss Peric, have undertaken designing and decorating (from scratch) the Early Year’s toilet amenities at our BW campus.

Over the past 2 months the students:

- Began discussions with Miss Peric relating to their favourite Superheroes.
- Enlarged the Superhero pictures onto the amenity walls – an undertaking which patiently took 2 weeks to complete by the students.
- Painted and highlighted the variety of Superheroes, symbols, walls and ceilings.
- Are nearing the end of this amazing task, still smiling and enjoying the wonderful camaraderie and friendships formed during this time.

Above are a few of the amazing Superhero pictures and designs. Congratulations to all involved from many very appreciative and lucky students, teachers and parents.

Thank you again for your enthusiasm and support and remember, if you do spot a ‘HERO’ flying around at Carranballac College, please acknowledge them!

We have made a few changes with a couple of price increases. Unfortunately this is unavoidable as our supplier has increased prices.

We have a new tasty chicken schnitzel which is available in a burger for $5.50 or served with a lovely fresh salad for those warmer days at $7.00. We have also changed to a new healthier beef burger which has great flavour.
