KIDS TEACHING KIDS
This week at Carranballac P-9 College reinforces for me the power of our young people in society. Kids teaching Kids is at the heart of all things Carranballac in ensuring that the ‘student voice’ is heard and understood. Our students and staff are to be commended for their leadership in this significant program that links students and the environment. Mr Forrester deserves special congratulations for his coordination of this event. For those who are not aware of the program:

Kids Teaching Kids is an education model that uses local environmental issues as a theme for learning. Kids Teaching Kids starts in the classroom and extends into the community through the Kids Teaching Kids Learning Model and Program. We know kids are prepared to take up the challenges of saving our environment when we give them responsibility to manage their own learning through the Kids Teaching Kids Learning Model.

CURRICULUM DAY TERM 4
Please note the change to the Curriculum Day in term four. The pupil free day will now be the day before Melbourne Cup Day (Curriculum Day is now Monday the 2nd of November) resulting in a four day weekend. Day one of term four will be a normal school day.

Staff and Council have made this decision based on student attendance data. Attendance data for the day before the Cup Day public holiday has been extremely low for a number of years and the subsequent consequence is reduced learning time for too many students. We will trial this in 2015 and if attendance data for day one outweighs that of previous years for the Monday of the Cup weekend we will most likely use the same approach in 2016.

SCHOOL CROSSING
Staff often remind students of the correct behavior and rules in using school pedestrian crossings. I am seeking parental support to do the same please. Although schools have a responsibility to be aware of student conduct whilst they travel to and from school and can discipline students accordingly, the primary care for this travel belongs with parents.

LONG SERVICE LEAVE
Advance notice: I will be taking Long Service Leave for the first two weeks of Term 4 to undertake a family holiday. During my absence the Director’s role will be shared between Mrs Kearney (week one) and Ms Naughton (week two). Members of the leadership team will step into the Campus Principal roles during this time. I would like to wish everyone a relaxing break and encourage you to have some quality time with your children.

A quote worth consideration:
“A good teacher is one who helps you become who you feel yourself to be.” Julius Lester.

Kids teaching Kids, Inquiry learning, Student voice, facilitating learning, differentiating curriculum are all programs/phrases/approaches that spring to mind. Teaching is NOT telling OR directing, it is guiding/facilitating/encouraging/supporting and more. There are many ways to support other to be themselves. Start by listening to your children if that is something you do not already do.

Have an excellent week.
**Boardwalk School Report— Principal Kay Kearney**

Another big week at Carranballac P-9 College! Kids teaching Kids Week has become an important event in our year. Early Years classes are teaching Middle Years students and vice versa. Please chat with your child and find out about their experiences when participating in the activities. Once again our Year 5/6 students are hosting a one-day KTK Conference in Pobblebonk Place. We are very pleased to showcase this exciting event to a number of local schools.

The Year 5/6 Port Fairy camp was great. The students and teachers absorbed an amazing amount of historical and geographical knowledge in three days. Students were astounded by the hardships many of our early settlers went through on their long journey to Australia. Through the Flagstaff Hill displays and the extraordinary Sound and Light show, travel by ship became very real.

Hopefully our students have taken on the message that the Vox Bandicoot Litter Show presented this morning and we will continue to see a responsible attitude towards litter in the community.

Please remember that the entertainment next week will be the SoundHouse Concerts in the PAC. I look forward to seeing many proud parents there.

I am sure Spring will arrive soon!

Have a good week!

**Jamieson Way School Report— Principal Sandy Naughton**

The amazing science experiments happening all across this week make us very proud of the high quality teaching and learning that occurs at this school. However the MOST amazing component of this Kids Teaching Kids week watching and listening to our kids demonstrate their scientific knowledge and understandings to each other. Be they big or small, our kids seize the opportunity to explain with great enthusiasm the phenomena they have selected, and it is the respect demonstrated to each other as they listen and learn that is an outstanding feature of this week.

Wakakirri rehearsals are back in full swing and excitement is at a fever pitch for next Tuesday's state final. We are proud of each and every individual who has contributed as part of this Year 5/6 team.

Good luck Carranballac!

Double parking places our children in danger. Just taking a little time to park safely, and walk a short distance, keeps ALL our kids safe.

Reading to and with your children creates life long memories. Talk to your children (or grandchildren) about your favourite authors when you were their age.

Enjoy your children this week!

Battle for Australia

Last Wednesday, student leaders from the college attended the Battle for Australia ceremony at the Shrine of Remembrance. Students were given the opportunity to commemorate and honour the courage, sacrifice and service of Australians and their Allies who served in the Second World War in the Pacific region. The leaders represented the college with pride and should be commended on their behaviour and the respect they demonstrated.

A big thank you to Miss Bytheway who organised the day.

Canteen News

As we come close to the end of term I would like to thank our volunteers for everything they have done for us this term. We hope to see you back next term. If you would like to volunteer in the canteen please come in and see us and we will get you started. You will need a Working with Children Check which can be easily done online.

Just a reminder that the canteen is closed on Friday 18th September, last day of term, for cleaning and stocktake.

The Reading Challenge Is Almost Over for 2015!

Students, please remember to hand in any last minute reading records to Library staff by Friday, September 11. The challenge officially ends on Monday, September 14.

Look out for the online honour roll which will be published on the Challenge website during October.

Certificates will be distributed to students who have completed the challenge as soon as they are issued to the school in November.

Well done to all those who have participated in this year’s challenge. We hope you have enjoyed being involved and discovered some great new books and authors.
Earn & Learn

Thanks to everyone for their contribution to the Earn and Learn program. As of Friday last week we had 15,000 stickers collected. Woolworths have now stopped giving out the stickers. If you have any sheets complete or incomplete please place them in the box in the entry area of your school by 15th September. Loose stickers are also welcome.

Thanks for your support

**SCHOOL BANKING**

School banking now has a page on our new school website. Click on PARENTS tab and scroll down to school banking. The page has information about school banking and it also has a link to an email address which can be used for all enquires.

Concerns have been raised regarding the ‘Cosmic Light Beam Torch’ rewards item due to the inclusion of four button batteries that can be accessed by unscrewing the back of the torch.

Whilst this reward has been independently tested and deemed to meet relevant product standards the Commonwealth Bank have made the decision to proactively withdraw this item from the School Banking Rewards Program.

Parents/Guardians are requested to dispose of any ‘Cosmic Light Beam Torches’ their child may have already received as part of the Rewards Program. Students who have been previously received a ‘Cosmic Light Beam Torch’ are welcome to redeem an alternative reward item.
Rewarding regular savers with amazing prizes.

We’re bringing the exciting news that an Intergalactic Prize Portal has appeared on Planet Savings, giving students who demonstrate good savings behaviour the chance to win amazing prizes.

- 75 x iPad minis Wi-Fi 16GB
- 125 x Beats by Dr. Dre Solo² Headphones
- 200 x $50 Bookdopa Gift Certificates

Help the Dotlarmites activate the Prize Portal for a chance to win
To activate the Prize Portal, students must simply make three or more School Banking deposits during Term 3 and they will automatically be entered into the competition for a chance to win one of hundreds of prizes. Students can also complete a Money Mission at commbank.com.au/prizeportal to double their chance of winning a prize. (Please note, students can start the Money Mission at any time, but are required to make three deposits by the end of Term 3 to double their chance of winning.)

Win books for your school library
We’re also giving schools participating in the School Banking program a chance to win one of 75 sets of children’s books for their school library, valued at $200.

## SoundHouse Music Schools

| Moonee Ponds West PS   | Strathmore North PS |
| Aberfeldie Primary School | Carranballac P-9 College |
| Footscray West Primary School | Manor Lakes College |

### SoundHouse Music Schools Terms and Conditions

Tuition is available in Guitar, Keyboard, Drums, and SAP (Singing and Performing). Lessons are held in groups during school hours. Students are guaranteed between 32 lessons/performances/rehearsals or concerts per year. Places are limited in some groups. A waiting list will apply.

Unfortunately lessons lost due to illness or school activities cannot, in general, be made up. Attendance rolls are kept for all classes and make-up lessons will only be provided due to a SoundHouse teacher’s absence. It is best to look at the SoundHouse program over a 12 month period rather than on a weekly basis because there are many school activities to be accommodated.

Parents and students acknowledge that satisfactory and reasonable progress is dependent upon regular, daily practice.

Fees are $140.00 per term and are payable **IN ADVANCE** for the term. There are no refunds for children who drop out during the term. If you wish to withdraw your child from the program please provide written advice. We ask that we be informed **BEFORE** the beginning of the next term because there is a lot of work involved with the structure of groups and music timetables.

Circumstances such as long-term holidays or illness etc can be discussed with the SoundHouse Manager at the school.

It is recommended Foundation students begin the SoundHouse Program from Term 2.

Please provide a folder with plastic pockets for students to store their music.

**All enrolment forms must be submitted at the office with full payment.**
