Important Notice

NEW ROLL MARKING PROCEDURES
As a response to targets set in the College Strategic Plan we are updating our roll marking procedures from the start of Term 4 2015.

All rolls will be updated by 9.00am. It is therefore important for parents and guardians to inform the school prior to that time if your child will be late or absent. Please either send a SMS message to our dedicated line 0429 305 552 or phone the office to advise of your child’s absence.

Text messages will now be sent to parents/guardians at the earlier time of 9.30am.

Every minute counts!

It’s not OK to be away.

Student Absence: Please SMS student absences by 9.00 am to 0429 305 552

Director’s Report—Brendan O’Brien

To all of our CARRANBALLAC families
Welcome to the last newsletter for term three.
May I wish everyone a safe and enjoyable September holiday break.

Kids teaching Kids
This was an amazing event and my sincere thanks goes to all of our staff involved. Well done.

CURRICULUM DAY TERM 4
One final reminder to all of our families. Day one of Term 4 will be a normal school day. Monday 2nd November will be the Term 4 curriculum day which occurs just before the Melbourne Cup Public holiday.

LONG SERVICE LEAVE
As mentioned last week I will be on Long Service Leave for the first two weeks of Term Four. Ms Naughton will be Acting College Director in week one and Mrs Kearney Acting College Director in week two. Ms Myors will be Acting Campus Principal at Jamieson Way in week one and Mrs Edmonds will be Acting Campus Principal at Boardwalk in week two. Mr Beiers will be Acting Assistant Principal at Jamieson Way week one and Boardwalk week two. I have every confidence in our leadership team members and know our community will be in most capable hands during my leave.

WAKAKIRRI
Last night I attended the Victorian State Final of Wakakirri. I was both excited and nervous as I am sure many of you were. The performance and subsequent result for Carranballac College was amazing. This is an outstanding achievement for Carranballac staff, students and families. Winning the State Final is usually a ‘once in a lifetime opportunity’ that will remain in everyone’s memory for a very long time. We will now ready ourselves for the National Final which takes place (via television) on the 14th of October. Chookas for the Nationals team.

My quote for this week:
“A hundred years from now it will not matter what my bank account was, the type of house I lived in, or the kinds of clothes I wore, BUT the world may be much different because I was important in the life of a child.”

Anonymous.

Have an excellent week
Brendan O’Brien

OUR WAKAKIRRI STARS ARE STATE CHAMPIONS!!!

We are SO proud of our wonderful Wakakirri stars! To perform at the top level in the state in this event, at a venue such as Hamer Hall, is an incredible achievement. And to WIN the state final is AMAZING!! Thank you to our students for their hard work. Thank you to our fabulous families for their support. Thank you to those who were able to share this night with us! Thank you to all who made this possible especially Ms Edmonds and our fabulous Year 5/6 Team, and our very talented specialist staff for their expertise.

We are three quarters of the way through the year. As the term finishes, I would like to thank our students for their respect and pride in our school, and their hard work as they move forward as learners. Thank you to our sensational staff for their professional commitment and diligence to give our students exciting and engaging learning experiences. Thank you to our magnificent community for their strong support across Term 3.

Please support our student leaders' fundraiser this Friday. A gold coin donation to show a splash of your favourite sports teams’ colours, will raise funds for State Schools Relief. This organisation provides support for families in government schools who may be experiencing difficulty by helping them with uniforms. Please send along the gold coin donation!

Have a safe and relaxing break. Term 4 begins on Monday 5 October and we look forward to seeing all our students on that day, ready for a big term ahead.

Boardwalk School Report— Principal Kay Kearney

The Term 3 holidays are almost upon us yet again! May I suggest that one highlight for your family is to go to the movies and see “Oddball”? A classic line is never to work with children and animals. This true story involves both, along with some ruggedly beautiful western Victorian coastline. Our Year 5/6 students are sure to recognise the area that we visited recently, and we all love Little (Fairy) Penguins.

Please remember that Monday 5 October, the first day of Term 4, is a normal school day with Assembly first thing. This term the Curriculum Day will be Monday 2nd November.

As we are a Sun Smart school, please ensure that each student in your family has a hat ready for the first day. They are available from the office at any time for $14. Thank you for your cooperation in this important matter. Please remember to immediately name any items of clothing that may be lost at school.

Which leads onto Lost Property! Please check it out before the end of term, as it will probably disappear over the holidays.

Have a great time with your family over the next two weeks.

May your football team be successful, although many of us have already moved onto the 2016 season!

## Uniform Shop

The uniform shop will be closed this Thursday 17th September, sorry for the inconvenience. Please call during the holidays 9395 3533 to arrange a time, if you need to purchase uniform.
Student Leadership Development

YEAR 5/6
Students in Year 5 and 6 are reminded to check noticeboards, newsletters and to listen at assemblies for information on their Canoeing programs. As has been previously stated in newsletters and at assemblies, we were trying to source a new operator to run these programs. The policy of participating students being required to have a current swimming certificate will still stand. A new provider and program details are currently being finalised with details to follow as soon as possible.

COMPASS and DUKE of EDINBURGH AWARDS
The Compass and Duke of Edinburgh Awards are continuing. Students should receive their Record Books this week as Awards Victoria are express posting them after an unexpected delay in processing.

Year 5 and 6 participants:
Once you have completed the required number of hours for each activity, please complete and submit your books for assessment by Awards Victoria. All completed books should be handed to Ms Bytheway for checking. This is to ensure a less interrupted Term 4 for you all after the busy Term 3 you experienced.

YEAR 7 AND 8 BEACH WEEKS
Beach Week planning is well underway with continuing discussions occurring between ourselves and program partner Williamstown Surf Life Saving Club. These events will be conducted in November and once distributed, permission notes and money MUST be returned by the due date. NO late payments or notes can be accepted as we have to inform the club of numbers and the ratios MUST be adhered to.

YEAR 9 SURF CAMP
The Year 9 surf camp is experiencing a change. Program details will shortly verified and all students informed of the program, venue and other applicable information.

State Schools Relief
Thank you to the families who contributed to our 5 cent collection for the State Schools Relief. We will be donating $720.00 on your behalf this will help provide school uniform for families in need.

The Boardwalk School winner of the 5 cent drive was Year 3/4 Crimson, Jamieson Way School winner was Year 5/6 Purple thanks to all for your great collecting.

This Friday students are encouraged to wear their footy colours with pride all codes accepted. Gold coin donation will also go to state schools relief.

Canteen News
As we come close to the end of Term I would like to thank our volunteers for everything they have done for us this term. We hope to see you back next term. If you would like to volunteer in the canteen please come in and see us and we will get you started. You will need a Working with Children Check which can be easily done online.

Just a reminder that the canteen is closed on Friday 18th September, last day of term, for cleaning and stocktake.

Kids Teaching Kids (KTK) Program

This year Carranballac F-9 College took part in the Kids Teaching Kids program for the sixth year in a row. Each of those years has proved to be very successful, with all of our students taking part and have enabled us to claim that we are “Australia's largest KTK event.”

This year we had over 1371 students taking part, in 50 classes, as well as inviting in another 50 students from four other schools to take part in our fourth annual Target Western Metropolitan KTK cluster event at Boardwalk School. In all our active young scientists covered an amazing range of activity and moved their understanding of science and sense of environmental leadership a little further up the scale.

The program has brought us many benefits, not the least raising sponsorship funds more than $10000 from KTK, Target Australia, QANTAS and others. That funding has enabled richer experiences for our students through providing science activities, workshop equipment and teacher support.

Some of our staff and students have submitted their thoughts about this year’s activities:

Ruby
The kids really get a lot out of it - Content and delivery - its fantastic and so good for them. So proud of the group I took to Boardwalk School Ms Hill

KTK made me feel like a teacher because I was teaching.
Three things I learnt: - being a teacher is hard - most kids don’t listen - frogs we have a lot of them
Next time I would make more eye contact and explain things better Linnea.

My favourite part was how the people we were teaching helped us to make the station easier by being involved in the activities. We didn’t have to do every bit. Next time I would be more organized and speak more clearly. Jack

KTK made me feel energetic as I kept roving to the stations and telling the time. (timekeeper role)
Next time I would change nothing much! It was perfect! Anthony

I liked going to all the presentations and doing their activities. KTK was way better than I thought it would be. It made me feel nervous while presenting but a bit excited at the same time.
Three things I learnt were:
- That is takes forever for a glass bottle to break up
- That you have to be organized and prepare every second and know what you’re going to say.
- That birds in the ocean will think of plastic as food and swallow them. Tabassum

KTK made me feel excited and happy because it was really fun, but it was also very tiring. Bridie

My favourite part was seeing it come together because I thought that we weren’t prepared enough and didn’t have any proper run throughs but we did it and it was great. Elizabeth

My favourite part was when I always got to talk about the wetlands and do the welcome at the start.
Three things I learnt: - that tadpoles are baby frogs - the wetlands stop floods from happening
- the wetlands stop rubbish from getting to the ocean. Jessica

KTK wasn’t what I expected because I thought someone would mess up and they didn’t.
It made me feel happy and sad. Sad because people littered a lot and happy because we learnt positive information we didn’t know. Brooke

From the Year 7’s

On Tuesday 8th September we went to the Year 2’s room. They taught us how to make a lava lamp and how it worked. First they filled a quarter of a bottle with water and then they added vegetable oil and filled it nearly up to the top. Then they put food colouring in. After they let it set, they put in a quarter of an alka seltzer tablet and closed the lid. We then got to watch the lava lamps make some magic. It was a great experience and we learnt more about chemical reactions. By 7 Brown.

From the Year 2’s.

On Thursday we made terrariums with Ms Kompa and the Year 7’s. First we got a bottle. Then we cut them in half. Once they were cut in half, we put rocks in them. After that we put dirt in the bottle. We then put plants in and watered them and watched them grow.

By Abby Brown 2 Brown

On Thursday half of 2 Brown went with Mr Williams and 2 Crimson and we made terrariums. I didn’t know that terrariums need water. By Julian Stojanovski 2 Brown

On the 10th September 2015 we made a terrarium in Ms Kompa’s room with the Year 7’s for KTK. My favourite part was when we put the water in and it turned into the terrarium!!! By Milan Belic 2 Brown

On Thursday we went in Mr Williams room and we made terrariums. I will take good care of it.

SOUNDHOUSE MUSIC SCHOOLS TERMS AND CONDITIONS

Tuition is available in Guitar, Keyboard, Drums, and SAP (Singing and Performing). Lessons are held in groups during school hours. Students are guaranteed between 32 lessons/performances/rehearsals or concerts per year. Places are limited in some groups. A waiting list will apply.

Unfortunately lessons lost due to illness or school activities cannot, in general, be made up. Attendance rolls are kept for all classes and make-up lessons will only be provided due to a SoundHouse teacher’s absence. It is best to look at the SoundHouse program over a 12 month period rather than on a weekly basis because there are many school activities to be accommodated.

Parents and students acknowledge that satisfactory and reasonable progress is dependent upon regular, daily practice.

Fees are $140.00 per term and are payable IN ADVANCE for the term. There are no refunds for children who drop out during the term. If you wish to withdraw your child from the program please provide written advice. We ask that we be informed BEFORE the beginning of the next term because there is a lot of work involved with the structure of groups and music timetables.

Circumstances such as long-term holidays or illness etc can be discussed with the SoundHouse Manager at the school.

It is recommended Foundation students begin the SoundHouse Program from Term 2.

Please provide a folder with plastic pockets for students to store their music.

All enrolment forms must be submitted at the office with full payment.
