D irector's Report

Dear Parents and Carranballac Families

On behalf of the College Community I would like to acknowledge the professional leadership of Penny Heron over the past two years as the College Council President. Penny has worked tirelessly to ensure that all College Council operations have been undertaken in a highly effective manner, all College policies have been reviewed and all finances are in line with the Department's expectations. Well done and thankyou Penny.

I would also like to welcome to Council a new parent representative from the Jamieson Way campus – Ben Pollard. Congratulations to Ian Muir on being accepted as the new College Council President. Ian has had a long association with Council and has been a valuable asset to the knowledge bank of Council.

Finally to all other loyal Councillors past and present – thankyou for the work you undertake on behalf of the College Community.

Over the last twelve months I have had the privilege of being the Acting Director of the College. Carranballac is an incredible educational institution that offers a diverse and challenging curriculum and one that I feel strongly connected to now. I am delighted to announce that I am now the substantive College Director and I am looking forward to continuing our journey of improvement together.

On behalf of the staff may I extend my thanks to all families who remembered we had a curriculum day on Monday. This was well advertised in our newsletters and on the web page. Staff undertook essential professional development on first aid, literacy and Occupational Health and Safety.

As we begin Term 2 please remember to book in for your children's Student Learning Conferences on next Thursday. I cannot stress strongly enough how important your attendance is at these conferences. Staff share learning goals for each student that parents can support.

The Boardwalk campus has finally seen the turf turned on the oval and we would anticipate the oval to be ready for Term 3. In the meantime students will need to be particularly careful during their break times in sharing their play spaces. The long term benefit of this and other related improvements will far outweigh the short term need for patience and understanding.

An important announcement from Alex Howes regarding Junior Rock Band auditions:

The auditions this year were of an incredibly high standard and it was a hard choice to limit the numbers to one band. Congratulations to the following students.

Hamish Renkin 5/6T - Bass, Drums, Guitar

Antony Borg 7A - Guitar

Bond Leuga 7P - Vocals, Guitar, Keyboard

Elizabeth Green 7R - Keyboard

Max Harris 7R – Drums

Jade Psignos 8P - Vocals

Leilani Pio 5/6R – Vocals

Sarah Keenan 5/6P – Vocals

Harry Meimetis 8P - Guitar

In addition to the rock band this year The College will commence the running of a College choir. An exciting initiative that will provide more musically talented students with opportunities at Carranballac.

Please keep the Tuesday 26 April; evening, free for our next Parent, Public Forum in the Boardwalk PAC.

Have a wonderful week.

oardwalk School Report

Welcome back to the new term! It was great to see so many relaxed and smiling faces on Tuesday. It appears that everyone had a great holiday and returned ready for another busy term.

The Boardwalk oval is "under reconstruction" at last! I am sure there will be some challenging times over the next few months but they will be forgotten when we have a fantastic new playing field.

Year 2C have made the move back to their newly carpeted room and have settled in very quickly. Two of the F/1 classes are hoping to be reunited with their classrooms soon, when the earthworks in the swale are completed. I understand new carpet will be the finishing touch. I am hoping the portable removal project will be completed soon to give back some valuable play area.

Now that the cooler weather is upon us, students are required to wear their winter uniform. Hats are not a compulsory item of uniform this term, but ties for the Middle Years students are essential. It is also good blazer wearing weather!

The regular Student Learning Conferences are happening next Thursday 21 April after school and early evening. Once again we look forward to catching up with as many of you as possible. Please ensure that you bring along your Middle Years student as it is important to include them in the conversations about goals and plans for the term.

The Year 5/6 trip to Canberra is fast approaching, and the final payment must be made by Friday 15 April 2016.

Continue to enjoy the lovely autumn days and cool evenings.

amieson Way School Report

Welcome back to all our families and a special welcome to our new families who have recently joined the Carranballac community.

Term 2 is well underway with our 5/6 students beginning their swimming program today, with daily sessions until next Friday. Please label everything!!

Some of our Year 9 students have accepted the challenge to participate in The Department of Education's Victorian Sailing School in Geelong. These students will learn sailing skills over the next two days, sailing around Corio Bay. What a sensational learning experience for these young people! And yet another opportunity to build their confidence!

We look forward to catching up with our parents at Student Learning Conferences next week to negotiate and monitor individual learning goals for this term. Our Middle Years students will have a significant voice in these meetings. Please check our website for details of how to book a time.

Term 2 means winter uniform. Please check our website for details of the location of PSW store in Hoppers Crossing. Ties for Middle Years students are no longer sold at the office, they are now only available from the PSW store.

A reminder that Lost Property for lost uniform articles is located near the entrance to the library. We have sorted through these articles this week and returned NAMED items to the child's classroom. Thank you to the many, many parents who label all uniform items.

The Premier's Reading Challenge is now open. This is a great activity for individual readers to take on a challenge, and for the family to take interest in, and follow the reading being undertaken. We have children who have taken on this challenge successfully for many years! We look forward to presenting certificates later in the year.

Enjoy your child's learning this week.

Soundhouse Report

Soundhouse has made a great start to the year at Carranballac College! If you would like your child to be part of the Soundhouse program enrolments are open for Term 2! Please see the office staff for an enrolment form, which outlines the Terms and Conditions and preferred method of payment. We have tuition available on Drums, Guitar, Keyboard and Singing and Performance.

Term 2 is also an exciting time as we open up the enrolments for Foundation students! If you have a child in Foundation that would be interested in Singing and Performing then we have plenty of spots available! The other instruments will be on offer from Years 1 to 9.

Just a reminder due to Term 1 being shorter than the other Terms we continue the 'Soundhouse Term 1' through to the end of week 2 of Term 2. This ensures students get the appropriate amount of lessons. Lessons will start back week 1 for all Term 1 enrolments!

If there are any enquiries regarding Soundhouse please feel free to contact Maddie Owen on 0401 844 522 or meowen9@gmail.com

Jamieson Way Fun Run

On Friday 11 March the Parents and Friends committee conducted the annual Jamieson Way Fun Run. All of the students had the opportunity to participate in this fun and exciting event.

Every time a student completed a lap of the course, they accumulated a house point. During the first assembly in Term 2, the winning house and all prize winners will be announced. All the fun run funds need to be returned to the school by Monday 18 April 2016.

Thank you to the Parents and Friends committee and the Student Leaders who conducted such a successful and well organised event. Carranballac College appreciates all of your hard work.

Teachers vs Students Basketball

What a wonderful way to finish off Term 1 with some friendly competition between the Year 9 students and the Teachers, organised by Ben Clark and Mr Klein. The game started off with a BANG!! Both teams putting up multiple shots but unable to find the bucket early. As the game continued substitutions were made and the students showed their fitness taking advantage of the teachers with their speed and endurance. Regardless the teachers' talent allowed them to take the half with the students trailing by a mere 3 points when the first buzzer sounded.

The second half was adrenalin filled with the Year 9's coming out with grit and determination. The students pushed the score back to even and eventually took the lead!! With the time running low the teachers put on a star studded line up which wrestled back the lead to claim victory.

The game was played in great spirits and the real winner was a strengthening of the relationship between the staff and the students. Stay tuned for the next Teachers vs Students game at the end of Term 2!!

Nude Food

During Term 1, Year 2 students at Jamieson Way trialed a Nude Food Day. Nude Food Day is a nation wide initiative designed to encourage children to eat well and reduce unnecessary packaging. However, although the nation wide initiative is celebrated in October, Year Two teachers teamed up to encourage students to nude their food every Wednesday during Term One.

To promote the day, Year 2 students came together to share lunch every Wednesday. Teachers awarded raffle tickets to students with completely nude lunch boxes and class recycling monitors collected waste which couldn't go into the compost bin. Recycling monitors then weighed the waste to collect data on which class was leading the way, reporting back to students. These activities provided a great opportunity for integrating mathematics, including data analysis and measurement.

Term 1 saw 2Q win with the least amount of rubbish overall for the term! John Forrester, (Carranballac College Science and Sustainability Coordinator) awarded the winning class with a trip to the chicken coop where students had the opportunity to collect eggs and handle the chickens.

Due to the success last term, teachers are keen to continue the celebration of healthy food throughout the year, but this time it will be even bigger with Year 2 students at Boardwalk joining in too!

We would like to thank parents for their support of the impromptu Nude Food trial last term and look forward to another successful celebration of healthy and sustainable lunches in Term Two.

Many thanks

As part of our Early Years Literacy and Numeracy program in our College, two **Classroom Helpers** programs will begin shortly. The **Classroom Helpers** program provides parents with understandings about the organisation of the Literacy and Numeracy blocks in the classroom together with insights into the strategies we use to assist children with their learning.

Upon training, Classroom Helpers may assist in the classroom under the direction of the teacher, supporting us by working with small groups of students and being a role model for learning.

It is the practice of this College that Classroom Helpers do not work in their own children's classrooms.

Classroom Helpers is a course of four sessions.

Program 1 with Rose Pell at Jamieson Way has already commenced.

Program 2 with Deb Way at Boardwalk

Program 2 will run week 2 of Term 2 so this is your last chance to participate in 2016!

Session 1 Wednesday April 20 9am- 10.30am

Session 2 Wednesday April 27 9am- 10.30am

Session 3 Wednesday May 4 9am –10.30am

Session 4 Wednesday May 11 9am- 10.30am

Parents from Boardwalk and Jamieson Way are welcome in either program.

Sessions cover an outline of how children develop, expectations of Classroom Helpers assisting in the classroom and basic strategies for supporting students with Speaking and Listening, Reading, Writing and Numeracy.

Classroom Helpers may be rostered to help in any Early Years classroom, depending on their availability and timetable constraints. However, your own arrangements will need to be made for toddlers while you help in the classroom.

Once trained, Classroom Helpers will need to undergo a Working With Children Check **which can be organised at no cost for volunteers through Australia Post.** The list of newly trained parents will be presented to our School Council as a pool of parents who are recommended to support in classrooms. Upon completion of the program you will gain a certificate that is recognised in all government schools across Victoria. **Please contact Deb Way or Rose Pell if you have already completed the training at another school or in previous years and wish to be a Classroom Helper at Carranballac College in 2016.**

Please complete the reply slip and return it to school as soon as possible.

Looking forward to working with you!

State Schools' Relief

Prep CSEF uniform support

Fact sheet for parents

Program background

As part of the Victorian Government's Affordable Uniform Program, every Prep government school student who is a recipient of the Camps, Sports and Excursion Fund (CSEF) automatically qualifies for a uniform pack voucher. Each year, State Schools' Relief (SSR) provides tens of thousands of children with school clothing, shoes and other essential items. For the first time SSR has received government funding so that it can help more families needing financial assistance, and ensure no one is left behind.

Eligibility requirements for CSEF can be found at www.education.vic.gov.au/csef

What uniform support is provided?

SSR will provide:

- A basic windcheater and tracksuit pants
OR one of the following
- A bomber jacket, rugby top, hoodie or zip jacket

How can parents apply for the uniform?

Parents must apply for CSEF by the closing date listed at www.education.vic.gov.au/csef before they approach the school to apply. Primary schools are required to make applications on behalf of parents at www.ssr.net.au/schools.

Once approved, the voucher will be dispatched electronically to the school, uniform shop or uniform supplier. The school will provide the voucher to the parent/student to present at the uniform retailer (and not at SSR).

What if parents have already purchased their child's uniforms?

Eligible parents who have already purchased their child's uniforms for the year can select items of a larger size from the retailer.

Can parents who are ineligible for CSEF or, who have children in other year levels receive assistance from SSR?

Yes. Applications for parents requiring financial assistance for uniforms, text books or shoes are encouraged via the regular SSR services – www.ssr.net.au/schools. SSR only responds to requests from schools (not from parents directly). Parents are encouraged to talk to their school principal, assistant principal or student welfare coordinator about their situation and they will assess their eligibility.

Terms and conditions

- Only CSEF recipients are eligible for the uniform packs.
- Each student is eligible for a single uniform pack.
- A voucher is dispatched electronically to the school, uniform shop or uniform supplier on approval. The school will provide the voucher to the parent/student to present at the uniform retailer (and not at SSR).
- The order is valid for 45 days from date of issue.
- Once expired, a new application must be lodged.
- Expired vouchers cannot be redeemed.
- Each voucher specifies the individual items funded by SSR.
- No change to the items can be made unless through the school.
- Changes made in store will not be honoured by SSR.
- The maximum voucher value is \$57 and any short fall will not be covered by SSR.
- The value of the voucher is a maximum value rather than an entitled amount. Should the value of the item be less than \$57 the difference will not be credit towards other items.
