

Welcome to the Carranballac Corker. This is the weekly Family Learning Activity Page. Discuss the challenges and place your completed sheet in the box near the office. The correct winning entries will be drawn at the whole assembly on Monday mornings.

Word of the Week: Write a definition for the following.

Acute Angle: _____

Last Week's word: Width – distance across from side to side

Early Years:

https://eclass.upatras.gr/modules/document/file.php/PDE1456/challenges_year_1_and_2.pdf

Maisie the mouse

Maisie had between
30 and 50 breadcrumbs.

She counted the breadcrumbs in fours.
There were 2 left over.

She counted them in fives.
There was 1 left over.

How many breadcrumbs did Maisie have?

Middle Years:

Two balls A and B rotate along a circular track.
Ball A makes 2 full rotations in 26 minutes.

Ball B makes 5 full rotation in 35 minutes.

If they start rotating now from the same point,
when will they be at the same starting point
again?

Family Fun Activity

A Photo A Day!

A photo a day is a photography challenge that you and your children can enjoy together. Start by each member of the family taking photos each day, inspired by words/prompts set as a family at the beginning of the day. Some examples of prompts can be favourite colour, something delicious, time, circle etc. Find and take photos of these prompts daily and at the end of the week, create a collage of photos taken to represent each prompt. Look at what you created as a family!

Due: Friday 24th February
