

Welcome to the Carranballac Corker. This is the weekly Family Learning Activity Page. Discuss the challenges and place your completed sheet in the box near the office. The correct winning entries will be drawn at the whole assembly on Monday mornings.

Word of the Week: Write a definition for the following.

Diameter: _____

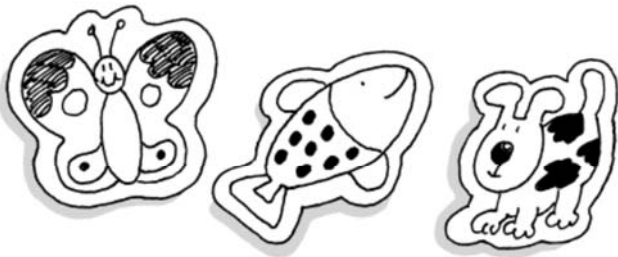

Last Week's word: Capacity – the amount a container or something can hold.

Early Years:

https://eclass.upatras.gr/modules/document/file.php/PDE1456/challenges_year_1_and_2.pdf

Stickers

The twins collected some animal stickers.
They each had the same total number.

Winston had 3 full sheets and 4 loose stickers.
Wendy had 2 full sheets and 12 loose stickers.

Every full sheet has the same number of stickers.
How many stickers are there in a full sheet?

Middle Years:

In a bag of small balls $\frac{1}{4}$ are green, $\frac{1}{8}$ are blue, $\frac{1}{12}$ are yellow and the remaining 26 white.

How many balls are blue?

Family Fun Activity

Backyard Camping

Travel no further than your backyard to spend time with the family. Craving old-fashioned family fun? Then put away the video games and pitch a tent in your backyard for a night of fun activities under the stars. By sticking close to home, your kids can feel safe and secure, be within walking distance of a bathroom, and still enjoy a wonderful family bonding experience.

Due: Friday 24th March
