

Welcome to the Carranballac Corker. This is the weekly Family Learning Activity Page. Discuss the challenges and place your completed sheet in the box near the office. The correct winning entries will be drawn at the whole assembly on Monday mornings.

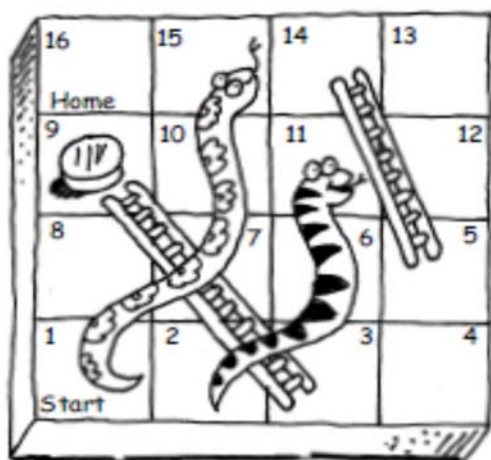

Word of the Week: Write a definition for the following.

Remainder: _____

Last Week's word: Equivalent fractions - fractions with the same value. Eg: $\frac{1}{2} = \frac{2}{4}$

Early Years:

Snakes and Ladders

Your counter is on 9.

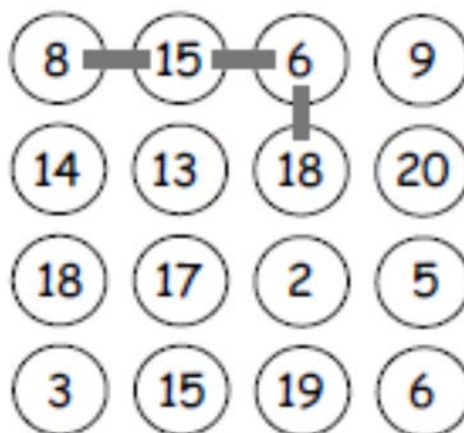

You roll a 1 to 6 dice.

After two moves you land on 16

Find all the different ways you can do it.

Middle Years:

https://eclass.upatras.gr/modules/document/file.php/PDE1456/challenges_year_1_and_2.pdf

Join any four numbers.

Find their total.

Joins can go up, down or sideways, but not diagonally.

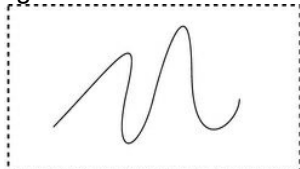

The score shown is $8 + 15 + 6 + 18 = 47$.

Find the highest possible score.

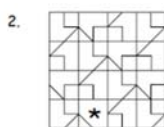

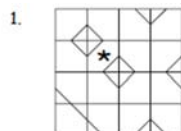

Find the lowest possible score.

Family Fun Activity

Squiggles: Not much of an artist? That's okay. This game makes a fun Family activity because it doesn't matter what you come up with. Strange and creative art only adds to the fun. All you need to play this Family game is a pencil for each player and a few pieces of paper. Each player draws a squiggle on his or her paper. After a minute swap with family members, who each try to turn that squiggle into a creative drawing of some sort. Have fun!
