People in the crowd

Estimate how many people there are in the crowd.

Family Fun Time:

Have a costume party: Generally, the only time we can get away with putting on costumes is on Halloween. It is so entertaining to put on a costume and play. Host an evening where everyone has to dress up in a costume. Eat your dinner that evening all dressed up. Play games and just have a party. You can even make it a "themed" costume party by choosing a time era or movie characters. Shape it to meet your interests. Have fun!
