

Welcome to the Carranballac Corker. This is the weekly Family Learning Activity Page. Discuss the challenges and place your completed sheet in the box near the office. The correct winning entries will be drawn at the whole assembly on Monday mornings.

Word of the Week: Write a definition for the following.

Temperature: _____

Last Week's word. Number line: line marked with number, used to show operations.

Early Years:

Tripods have three legs and are used to stand cameras on. If you had 18 legs, how many tripods could you make?

Middle Years:

Some octopuses, some fish and a few mermaids were happily frolicking in a rock pool. Altogether, there were 38 arms, 24 eyes and 8 tails all swimming in the pool.

How many mermaids were there?

Family Fun Activity

Get the family and go to a park just for the purpose of playtime. Play on playground equipment and enjoy the outdoors. Fly a kite, throw a frisbee, sit under a tree. Just go to the park together and have fun.

Previous Week's Answers

Early Years:

Charlie will produce a square.

Middle Years:

An A4 sheet is approximately 29.7cm long. 100 divided by 29.7 is 3 and some left over. To make at least 1m requires **four** A4 lengths.

Due: Friday 23rd June
