

Welcome to the Carranballac Corker. This is the weekly Family Learning Activity Page. Discuss the challenges and place your completed sheet in the box near the office. The correct winning entries will be drawn at the whole assembly on Monday mornings.

Word of the Week: Write a definition for the following.

Protractor: _____

Last Week's word. Prime: a number that has exactly two factors. A number that can only be divided evenly by itself and one.

Early Years: Foundation – Year 2

Calculator Words

What is the calculator saying?

Multiply 103 X 6.

Turn the calculator upside down to find the word you have made.

Middle Years: Year 3 to Year 6

Calculator Words

What is the calculator saying?

Multiply 1289 by 6 then divide by 10,000.

Turn the calculator upside down to find the word you have made.

What other words can you make?

Family Fun Activity: Star Watching

Rug up and lay outside on a blanket in the yard and look up at the stars together. Try to map out constellations together. Afterward, look up the stories behind each constellation on the Internet.
