

Welcome to the Carranballac Corker. This is the weekly Family Learning Activity Page. Discuss the challenges and place your completed sheet in the box near the office. The correct winning entries will be drawn at the whole assembly on Monday mornings.

Word of the Week: Write a definition for the following.

Probability: _____

Last Week's word. Odd Number: a number that is not divisible by 2. Eg: 1, 3, 5, 7 or 9

Early Years: Foundation – Year 2

If you know that

$$\triangle \times \triangle = 25$$

$$\circ \times \circ = 100$$

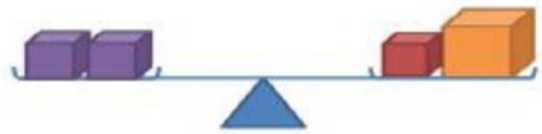

Work out

$$\triangle \times \circ = \boxed{}$$

$$\circ \div \triangle = \boxed{}$$

Middle Years: Year 3 to Year 6

The scales are balanced.

The mass of each purple cube is 42g.

The orange cube is 20g heavier than a purple cube.

Find the mass of the red cube.

FAMILY FUN ACTIVITY: Self Portraits

You've got a hard drive full of family photos, but drawing self-portraits captures the present in a more revealing way. Preserve the results for posterity by displaying the masterpieces gallery style on a wall. You could also scan and upload the artwork, then have the images transferred onto anything from bags to water bottles so you don't have to wonder whose is whose.

Previous Week's Answers

Early Years:

How many children make 18 shoulders: 9

Middle Years:

A = \$2

B = \$4

C = \$6

D = \$1

E = \$8

OR

A = \$1

B = \$5

C = \$5

D = \$2

E = \$7

Due: Friday 25th August
