

Welcome to the Carranballac Corker. This is the weekly Family Learning Activity Page. Discuss the challenges and place your completed sheet in the box near the office. The correct winning entries will be drawn at the whole assembly on Monday mornings.

Word of the Week: Write a definition for the following.

Variable: _____

Last Week's word: Units – In place value, another name for ones.

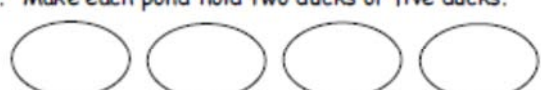

Early Years:

https://eclass.upatras.gr/modules/document/file.php/PDE1456/challenges_year_1_and_2.pdf

Duck ponds

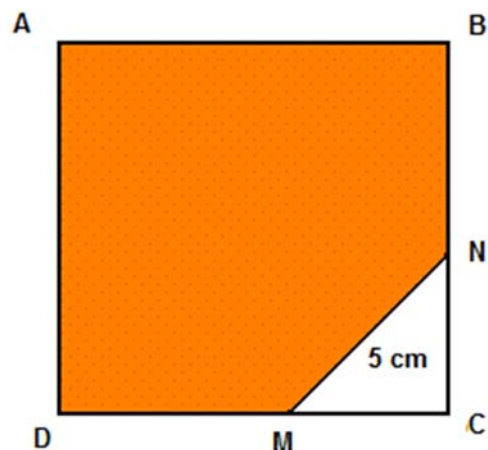

Use 14 ducks each time.

1. Make each pond hold two ducks or five ducks.

2. Make each pond hold twice as many ducks as the one before.

3. Make each pond hold one less duck than the one before.

Middle Years:

The size of the perimeter of the square ABCD is equal to 100 cm. The length of the segment MN is equal to 5 cm and the triangle MNC is isosceles. Find the area of the pentagon ABNMD.

Family Fun Activity

HAVE A COOKING NIGHT

This one is pretty simple: get in the kitchen together 😊

Have a pizza making party, where all the ingredients are on the tables and everyone gets to create their own pizza. Decorate cupcakes, or try creating an international dish, or perhaps bake up something you've read about in one of the stories you've been reading (For example, if you've been reading Paddington Bear, learn how to make scones and marmalade!).

Due: Friday 10th February
