## Director's Report—Brendan O'Brien

Dear Parents and students

Welcome again to our incredibly important newsletter.

### **Enrolments for 2016:**

We have been extremely pleased with the high level of enrolment enquiries this term. Parents who take the time to visit schools before making a choice are ensuring they select the school that best suits their child. I encourage families to take the time to book tours and to make sure that they see the School during daily operations. Our College sub school leaders provide new families with a guided College tour and you get to see first hand the manner in which staff and students engage, the wide range of high quality programs on offer and you get a realistic feel for the overall positive culture of Carranballac College F-9.

Families that have been with our College since Prep have not yet had the opportunity to see the Years 7, 8 and 9 programs in operation. Our specialist staff opened their doors at the last Student Learning Conferences and the feedback we received was extremely positive. Did you know we offer specialised student leadership programs, Duke of Edinburgh, Compass, Musical Futures, Soundhouse, a challenging and sequentially structured camp program, an extensive physical education and sport program, textiles, food tech, visual arts to complement a classroom teaching and learning program that places the child at the centre of the learning. If you are wanting to know more about YEAR's 7, 8 and 9 please ask for a tour.

### **Parents and Friends:**

What an incredible team. Thankyou for your generosity and dedication in running such a successful Mother's Day stall for our College. If you see one of the team make sure you pass on your personal thanks. Well done.

### **Walk to School Day:**

I would like to encourage families to consider participation in this important day:

The 16th annual National Walk Safely to School Day will be held on Friday 22nd May 2015. All Primary School children, along with their parents and carers, are encouraged to walk and commute safely to school.

### **The objectives of National Walk Safely to School Day are:**

- To encourage parents and carers to walk to school with primary school age children
- To promote the health benefits of walking and create regular walking habits
- To help children develop vital road crossing skills and ensure children up to the age of 10 years hold an adult's hand when crossing roads
- To help children develop the vital road crossing skills they will need as they become mature pedestrians
- To reduce car dependency and traffic congestion
- To reduce the level of air pollution created by motor vehicles
- To promote the use of public transport

### **A quote for this week:**

**"Education, to be successful, must not only inform but inspire."** T. Sharper Knowlson.

Educating young children and adolescents is a partnership between the student, the family and the school. We need to work together to achieve the best outcomes for our younger generation. Please take the time to keep us informed of any needs your child may have so that we can partner together to 'inspire them'.

I do hope you have had a great week.

Brendan O'Brien  
College Director

## Boardwalk School Report— Principal Kay Kearney

I hope all the mothers had a lovely day last Sunday! Thank you to the mums who ran the highly successful stall, making sure there were plenty of lovely surprise gifts on Sunday.

This week has been relatively quiet as the Year 3, 5, 7 and 9 students are diligently working through their NAPLAN program. Extra-curricular activities are put on hold for this time to allow the students to focus on this important assessment task.

Next week we start the winter sports programs for the Middle Years students as well as the Year 7-9 Athletics Carnival. Also on Monday and Tuesday the Junior Rock Band has their annual camp at Galwiji Homestead, a spot well away from neighbours!

I am sure there must be some late autumn warmer weather happening soon!

Have an enjoyable week!

## Jamieson Way School Report— Principal Sandy Naughton

A huge well done to our very own Cross Country Champions. Both Primary and Secondary School events were held last week in very cold and wet conditions. Our students showed great sporting spirit. The placing's they were given when they finished were well earned but these are not as important as the fact that they gave their best and we are proud of the effort and determination demonstrated by these students representing our School.

Each week at our Monday morning assembly we recognise the excellent efforts of our students during the past week and how they have contributed to our community across the week. Our teachers are very proud to announce award winners in their classes for progress, successes and gains the students have achieved, and the values that they have demonstrated towards others in our community. Families are most welcome to join our community and share the pride we have in our students. Birthdays are acknowledged by the community and our values are displayed through 'Word of the Week'. Our student leaders do a great job in running this assembly so please join us when you can.

Thank you to our incredible parents who organised the Mother's Day stall. So many parents have commented on the fantastic gifts their children were able to purchase - the library was a sea of pink! The huge smiles on faces, big & small, said it all!

Keep up the reading in the Premier's Reading Challenge.

Enjoy your children this week!

## STUDENT LEADERSHIP DEVELOPMENT

### YEAR 5/6: JAMIESON WAY SCHOOL

WOW, what a week it was in Canberra. Your children were fabulous and praised everywhere they went from how smart they looked in their uniforms to how well behaved and mannered they were to how informed their questioning was. It was an absolute pleasure to have them on camp. A big THANK YOU to all the staff that attended too, it is a big undertaking and can be quite a juggling act to leave their own families for a few days and is much appreciated.

The students loved Questacon which proved a definite favourite attraction, in particular the vertical slide and at the Australian War Memorial our students shone. The respect and understanding they demonstrated during their educational sessions and while touring the displays was wonderful to witness. Thank you again to all involved...

Students from our school have recently undertaken, an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government contributed funding of \$30 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

### YEAR 3/4 CAMP:

Preparations are continuing for the Year 3/4 camp and we have great numbers attending. Thank you to all the parents and guardians who returned notes on time. There is a lot of documentation involved and separate departments and companies that have to be informed of requirements based on the information provided. It is for this reason that we are unable to accept late payments/additions to the camps after the final date has passed.

The attending students are in for a fabulous few days at Arrabri Lodge with activities including but not limited to: Flying Fox, Mini Golf, Low Ropes, Archery, Damper Cooking and the Giant Swing. Each campus attends on the following dates:

BOARDWALK SCHOOL: Monday 25<sup>th</sup> – Wednesday 27<sup>th</sup> May

JAMIESON WAY SCHOOL: Wednesday 27<sup>th</sup> – Friday 29<sup>th</sup> May

## Victorian Premier's Reading Challenge.

We hope everyone is enjoying their participation in the Reading Challenge and are experiencing some great books and discovering new and exciting authors!

For those who have not registered for the Challenge, it is not too late. Student registrations need to be finalised by the end of this term. To register just fill in a consent form available from your school's library and return it to library staff. Student details will be entered and a reading record sheet will be provided.

Participating students please send your reading record sheets to your Library regularly so that your progress can be recorded.

***Reading records need to be completed and given to Library staff by 7<sup>th</sup> September to allow time for all data to be entered. The challenge officially ends on September 14<sup>th</sup> 2015.***

***Happy Reading!***

## SPORTS UPDATE

### Point Cook District Cross Country

Well done to all the students who participated in the Point Cook District Cross Country Competition which was held at Saltwater Reserve on Thursday 7th May, 2015.

Despite the cold weather, everyone tried their hardest and finished either the 2km or 3km course depending upon their age group.

Congratulations to the following students who finished in the top 10 of their age group and have qualified to attend the Hobsons Bay Primary Division Carnival on the 28th May in Wyndham Vale. We wish them all the best of luck for this competition:

# Treating and controlling headlice

health

While children are at school many families will have contact with head lice. The information contained here will help you treat and control head lice.

## Catching head lice

Head lice have been around for many thousands of years. Anyone can get head lice.

Head lice are small, wingless, blood sucking insects. Their colour varies from whitish-brown to reddish-brown. Head lice only survive on humans. If isolated from the head they die very quickly (usually within 24 hours).

People get head lice from direct hair to hair contact with another person who has head lice. This can happen when people play, cuddle or work closely together.

Head lice do not have wings or jumping legs so they cannot fly or jump from head to head. They can only crawl.

## Finding head lice

Many lice do not cause an itch, so you have to **look carefully to find them**.

Head lice are found on the hair itself and move to the scalp to feed. They have six legs which end in a claw and they rarely fall from the head. Louse eggs (also called nits) are laid within 1.5 cm of the scalp and are firmly attached to the hair. They resemble dandruff, but can't be brushed off.

Lice can crawl and hide. The easiest and most effective way to find them is to follow these steps:

- Step 1** Comb any type of hair conditioner on to dry, brushed (detangled) hair. This stuns the lice and makes it difficult for them to grip the hair or crawl around.
- Step 2** Now comb sections of the hair with a fine tooth, head lice comb.
- Step 3** Wipe the conditioner from the comb onto a paper towel or tissue.
- Step 4** Look on the tissue and on the comb for lice and eggs.
- Step 5** Repeat the combing for every part of the head at least four or five times.

If lice or eggs are found, the hair should be treated.

If the person has been treated recently and you only find empty hatched eggs, you may not have to treat, as the empty eggs could be from a previous episode.

## Treating head lice

Treating head lice involves removing lice and eggs from the hair. There are two ways you can do this:

1. Buying and using a head lice lotion or shampoo, following the instructions on the product
2. Using the conditioner and comb method (described under 'finding head lice') every second day until there have been no live lice found for ten days.

If you choose to use a head lice product always read and follow the instructions provided with the product carefully. The following points may also be helpful:

- Head lice products must be applied to all parts of the hair and scalp.
- No treatment kills all of the eggs so treatment must involve two applications, seven days apart. The first treatment kills all lice; the second treatment kills the lice that may have hatched from eggs not killed by the first treatment.
- Cover the person's eyes while the treatment is being applied. A towel is a good way to do this.
- If you are using a lotion, apply the product to dry hair.
- If you are using a shampoo, wet the hair, but use the least amount of water possible.
- Apply the treatment near the scalp, using an ordinary comb to cover the hair from root to tip. Repeat this several times until all the hair is covered.

There is no need to treat the whole family - unless they also have head lice.

Concentrate on the head - there is no need to clean the house or the classroom.

Only the pillowcase requires washing - either wash it in hot water (at least 60°C) or dry it using a clothes dryer on the hot or warm setting.

## Testing resistance

Head lice products belong in one of the following categories depending on the active compound they contain:

- pyrethrins
- synthetic pyrethroids (permethrin, bioallethrin)
- organophosphates (maldison or malathion)
- herbal with or without natural (non-chemical) pyrethrins.

Insecticide resistance is common, so you should test if lice are dead. If they are, treat again in seven days using the same product. If the lice are not dead, the treatment has not worked and the lice may be resistant to the product and all products containing the same active compound. Wash off the product and treat as soon as possible using a product containing a different active compound. If the insecticide has worked, the lice will be dead within 20 minutes.

Any head lice product could cause a reaction and should be used with care by women who are pregnant or breastfeeding, children less than 12 months old and people with allergies, asthma or open wounds on the scalp. If you are unsure, please check with your pharmacist or doctor.

## Head lice combs

Combs with long, rounded stainless steel teeth positioned very close together have been shown to be the most effective, however, any head lice comb can be used.

## Head lice eggs

Head lice eggs are small (the size of a pinhead) and oval. A live egg will 'pop' when squashed between fingernails.

Dead eggs have crumpled sides and hatched eggs look like tiny boiled eggs with their tops cut off.

## Regulations

According to the Public Health and Wellbeing Regulations 2009, children with head lice can be readmitted to school or children's service centres after treatment has commenced.

The department recommends a child with head lice can be treated one evening and return to school or children's service centres the next day, even if there are still some eggs present. There is no need to miss school or child care because of head lice.

## Preventing head lice

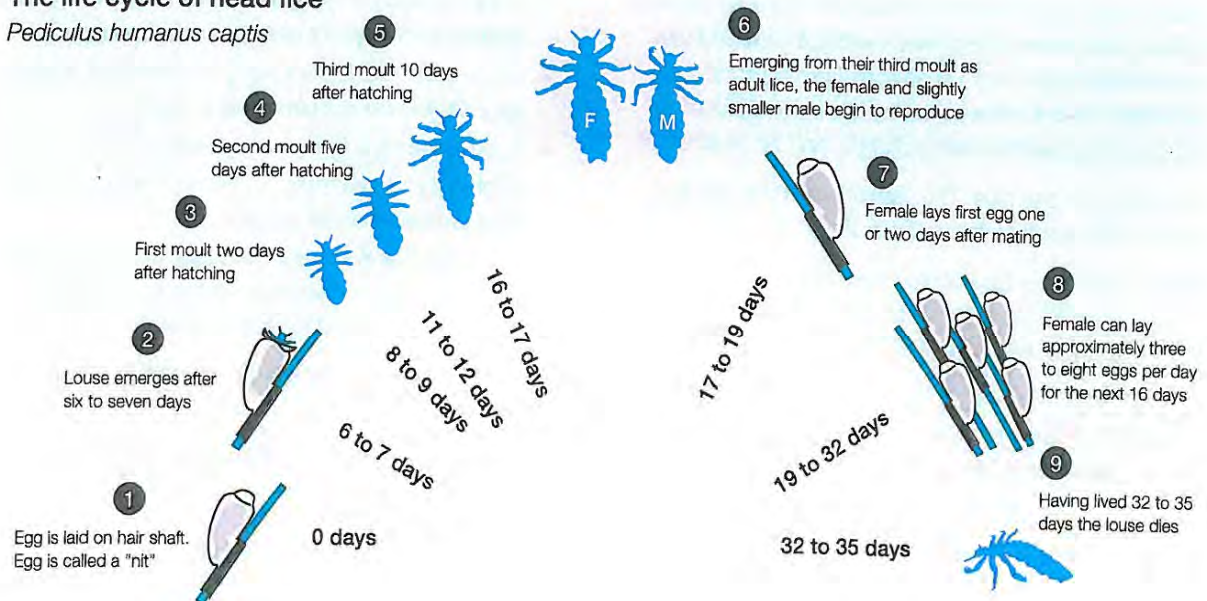

Check your child's head regularly with comb and conditioner. There is no research to prove that chemical or herbal therapies can prevent head lice.

# Victorian Premiers' reading challenge

## About the 2015 Reading Challenge

Who is eligible? All Victorian Students in Foundation to Year 10.

Why? The Challenge aims to promote a love of reading. It is not a competition but a challenge to each student.

When? The 2015 challenge started during Term 1 2015 and will officially end on the 14 September 2015.

How? Students in Foundation to Year 2 are challenged to read or 'experience' 30 books and students in Years 3 to 9 are challenged to read 15 books by 14 September 2015. If children are learning to read you can help them to experience books by reading to / or with them and talking about the text, story and pictures.

Getting started. Complete the consent form on the reverse of this page. Hand in the consent form to Library Staff. You will receive a record sheet to list books read. You are ready to begin.

Good luck and happy reading!

### Some Helpful tips!

Our College Libraries at Boardwalk School and Jamieson Way School have a large selection of Reading Challenge Book List Books Available. They are colour coded to make your choice very easy. Just see your Library Staff they will be happy to assist.

Remember to bring in your record sheets to your Library regularly. Library staff will enter books read onto the Reading Challenge website on behalf of Students.

**Victorian Premier's Reading Challenge**

Welcome to the annual Victorian Premiers' Reading Challenge. Reading is an essential life skill for everyone and the Challenge encourages families to be actively involved in supporting children to read. The Challenge invites children and young people to read a set number of books and record their efforts online. It's a great way to get them talking about reading with friends and family and to push themselves to read as many books as they can. Join the Challenge today and discover new authors, get expert tips, book recommendations and more. Participation is free. To find out more about the Challenge and access the booklist visit: [www.education.vic.gov.au/prc](http://www.education.vic.gov.au/prc)
