D irector's Report

Welcome to Term 4! Mr O'Brien is currently on well-deserved leave, enjoying his travels with his family.

I am very fortunate to be acting in Brendan's role this week, appreciating every minute of this invaluable opportunity to reaffirm my belief of just how wonderful our students are across the College. We can be extremely proud of our staff and the high quality educational opportunities we present to our students.

Term 4 is well underway with clear expectations being reiterated regarding respect for all. Such unusually hot weather has not deterred the energy at the start of this term, with classes settling well focussing on developing and moving forward as learners.

Next week is a big week at Carranballac. We have Student Learning Conferences, Specialist displays and our Book Fair.

We look forward to talking with our parents at Student Learning Conferences next Thursday 15 October, with our Middle Years students playing an active role in leading the conversations about their goals for Term 4.

We encourage parents to visit your campus gym next week during Student Learning Conferences. Our specialist teachers will be promoting their amazing programs at both campuses. Please extend your time at the school and walk through the gym. Our specialist teachers are eager to meet you and talk about their programs.

Our annual Book Fair is being held next week and will be open in both libraries until 4pm on Tuesday and Wednesday with an extended time until 6pm during Student Learning Conferences on Thursday.

Our amazing Parents and Friends have organised an event for our parents – **Rocktober** at The Brook Point Cook, on 24 October. Join the fun and get to know your community – tickets are available from your school office.

Enjoy your child this week!

Boardwalk School Report

An unseasonably warm welcome back to Term 4 and a special welcome to the new students and their families that have joined our Boardwalk community this term.

As per usual please ensure that your child has a college hat (named) to wear at school each day. Hats need to be worn at recess and lunchtime as well as during PE and sport lessons.

Next week we are holding the annual Book Fair on Tuesday, Wednesday and Thursday – during the Student Learning Conferences. This is a great opportunity to purchase interesting reading material and support the school. Your child may come home with a “wish list” but you are under no obligation to fulfil it!

Thursday 15 October is the last of our Student Learning Conferences for the year. Please take this opportunity to touch base with your child’s teacher and together set learning goals for the rest of the year. Please remember that all students are welcome but Middle Years students are expected to attend the conference, as they are a very important part of the conversation. This is also a great opportunity for them to share their successes of 2015.

Jamieson Way School Report

Welcome to term 4. I extend a special welcome to the new families who have joined our college community this term. We have another engaging and exciting educational program planned for this term. The term has begun very smoothly with most of our students remembering to wear their school hat during outside playing times. The highlight for this term will be the Year 9 Graduation on 17 December. This is a moving and stylish evening that acknowledges our fine Year 9 students and their contribution to our college. Information will be sent home shortly.

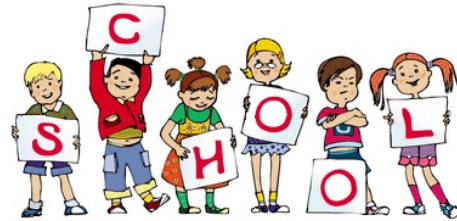

Other events this term include: Melbourne Storm rugby clinics, Duke of Edinburgh and Compass program, Swimming for Foundation and Year 1 students, Soundhouse concerts and more camps. Our 5/6 team are still buzzing from the exciting news of winning the state titles of the national performing arts competition Wakakirri. The national title will be announced on 14 October. Congratulations to everyone involved.

Be sure to keep up-to-date with our college events by reading our weekly newsletter. This is located on our revamped Carranballac P-9 College website. A talented committee of staff and parents have rejuvenated our college website which includes regular contributions from our students.

S tudent Learning Conference

Thursday 15 October 2015

You will be given the opportunity to attend a Student Learning Conference on Thursday 15 October 2015.

Student Learning Conferences for **Year 2 Aqua, 2 Brown and 2 Crimson** have been re-scheduled for **Tuesday 20 October** due to the Year 2 Sleepover on Friday 16th October.

Conferences will be ten minutes duration and will be conducted in classrooms from 3.30 pm to 7.00 pm.

To enhance our Middle Years students' responsibility as learners, all Middle Years students (Years 5 to 9) will be expected to participate in the discussion with their teacher and parents.

Using Parent Teacher Online you will be able to book the interview times that suit you best from any internet-connected computer. If you do not have internet access please contact the college on 9395 3533 and we will arrange an interview for you.

Parent's login and passwords have been distributed.

We urge all parents to attend these important conferences.

Please access the system as follows:

Go to the school's home page www.carranballac.vic.edu.au/

Click the PTO icon as shown here ...Enter your surname and PIN, provided in the letter sent to you.

Canteen News

Welcome back everyone. We have had a hot start to the term. A new menu should be handed out to all students by the end of the week. We have made a couple of changes so please take a look. Please remember on the hot days to order icy poles and other cold items through the lunch tub so your children do not have to line up at the window. Unfortunately slushies must be purchased over the counter as they spill when ordered through the lunch tubs.

School Banking News

School Banking at Jamieson Way School on is done a Tuesday afternoon during school. This normally takes approximately 2 hours on a rotating roster. Therefore we are asking for volunteers to assist every 3 to 4 weeks, generally twice a term. No qualifications required. If you are able to help out, please contact the School Banking Coordinator, Karen on 0439 961 073.

Student Leadership Development Update

Welcome Back!

There are a lot of programs happening across the College this term for students in Years 5 to 9. The College displays are currently being updated to reflect all of the changes to the many programs offered with dates included so make sure to look out for them.

Year 5 and 6

It looks like the canoeing will go ahead after a new activity provider was sourced. Keep checking for details as they will shortly be finalised. As previously mentioned, participating students **WILL STILL BE REQUIRED** to provide a **CURRENT** swimming certificate (if they did not undertake the 2015 College swimming program) or a letter of proficiency on swimming company letterhead. This requirement is non-negotiable. **NO** late payments can be accepted due to staffing requirements.

YEAR 7 and 8

Carranballac P-9 College is again offering the Beach Programs in conjunction with Williamstown Surf Life Saving Club. Students will participate in a range of activities designed to engage them in healthy outdoor activities while promoting safety in and around open water. There are strict limitations for student/life guard ratios so **NO LATE** payments can be accepted.

YEAR 7: Monday 9 – Thursday 12 November 2015

YEAR 8: Monday 23 – Thursday 26 November 2015

All attending students are expected to participate in all activities and will be required to wear the fluoro vests provided when engaged in water based activities in accordance with Surf Life Saving guidelines.

YEAR 9

Students in Year 9 have the opportunity to attend the Surf Camp now being held at Club Lorne. This 3 day camp offers students the opportunity to learn to surf and engage in safe open water activities. There is one camp only with students from Boardwalk School and Jamieson Way School attending together. All students are eligible to attend however place numbers are limited. **NO** late payments can be accepted and all required forms should be promptly returned.

2016 programs

While it may seem a long way away, forms for early 2016 programs will be handed out this term. It is likely that these will be for the following:

2016 BW Year 5/6 Canberra Camp – Non-refundable Deposits will be required to book flights. Only 80 places available after which a waiting list applies

2016 BW & JW Year 7 Camps – These occur mid Term One and for the first time will be campus specific.

STAY TUNED for further program details.

S science and Sustainability Update

Recycled Water at Boardwalk Campus

It is pleasing to see progress in the laying of a recycled water pipeline from Pt Cook Senior Secondary College to Boardwalk School.

The pipeline is being made possible as a result of a \$398,000 grant which the College has been awarded by the Victorian Government. The pipeline project will hopefully be completed by the end of November. Once completed the water will be connected to a new irrigation system which will be installed as part of an upgraded oval and grassed playing spaces project which the College is also undertaking.

Kids Teaching Kids (KTK) Program

We are pleased to include some reflections by Michelle Sanders Project Manager KTK on the week Monday 7-Friday 11 September that was 2015 Target Kids Teaching Kids Week.

"I saw many great student workshops and was welcome to some fantastic events across Australia. I have debriefed with Arron Wood KTK Director and he said that Carranballac College put on another stellar event. Congratulations and well done! You have pulled out all stops to coordinate a quality event providing local students with the opportunity to come together, feel proud of their work and share their ideas for a more sustainable future. Thank you John & team for having the courage and determination. KTK and the students thank you for this, you should feel really proud! "
