

Welcome to the Carranballac Corker. This is the weekly Family Learning Activity Page. Discuss the challenges and place your completed sheet in the box near the office. The correct winning entries will be drawn at the whole assembly on Monday mornings.

Word of the Week: Write a definition for the following.

Number line: _____

Last Week's word. Edge: the side of a polygon or a line segment where two faces of a solid figure meet.

Early Years:

Charlie has been blindfolded. He has been given some instructions to follow. They say that he has to walk three steps forward and then make a quarter turn clockwise. The instructions tell him to do it three more times in a row. What shape has Charlie walked?

Middle Years:

Take one A4 sheet of paper. Tear or cut it into strips length-wise. How many strips will you need to make up a length of 1m by laying the strips end to end?

Family Fun Activity

Make your own instruments

Search the house for potential music making material and spend time putting a set of instruments together. Glass jars with lentils or pulses make great maracas; toilet rolls, tin foil and cotton wool can be used for microphones and wooden spoons with saucepans are ideal for drums. You could take the fun even further and come up with an entirely new instrument - kids can be surprisingly creative when put to the task.

Previous Week's Answers

Early Years:

Answer: Score 9 in three ways:

1 bag in 1 and 2 bags in 4, or 1 bag in 2, 1 bag in 3, 1 bag in 4, Or 3 bags in 3.

Middle Years:

81 Millennium

- a. 00:33:20 1 January 2000
- b. 09:20:00 2 January 2000
- c. 08:00 23 March 2000
- d. 00:00 23 June 2005
- e. 00:00 1 May 2038

Due: Friday 16th June
