

Welcome to the Carranballac Corker. This is the weekly Family Learning Activity Page. Discuss the challenges and place your completed sheet in the box near the office. The correct winning entries will be drawn at the whole assembly on Monday mornings.

**Word of the Week:** Write a definition for the following.

Quarter: \_\_\_\_\_

**Last Week's word:** Parallelogram - a parallelogram has opposite sides that are parallel and of equal length and opposite angles that are equal.

**Early Years:**

[https://class.upatras.gr/modules/document/file.php/PDE1456/challenges\\_year\\_1\\_and\\_2.pdf](https://class.upatras.gr/modules/document/file.php/PDE1456/challenges_year_1_and_2.pdf)

**Spaceship**

Some Tripods and Bipods flew from planet Zeno. There were at least two of each of them.

Tripods have 3 legs.  
Bipods have 2 legs.  
There were 23 legs altogether.

How many Tripods were there?  
How many Bipods?

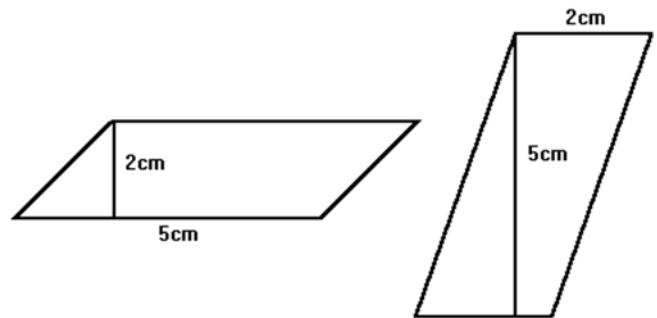

Find two different answers.

**Middle Years:**

Do these parallelograms have the same area?

How do you know?

**Family Fun Activity**

**Karaoke Night**

“Let it go!” anyone? I’m sure we can all think of some family friendly songs to sing karaoke with. Disney songs are rockin’ for this! The best part is, even if you don’t have a karaoke machine, you can just look up the songs on YouTube, and it will play the music instrumentals and show the lyrics!

What a fun night!!!!

**Due: Friday 11<sup>th</sup> November**
